PERSPECTIVE MIC

PRESENTED BY:
USG - SOCIAL AWARENESS COMMITTEE
EACH WEDNESDAY, NOON - 1:00 PM
FIRST FLOOR LOUNGE, HUB-ROBESON CENTER

Perspective Mic is a part of a larger theme of civic engagement being worked on by the Social Awareness Committee of the Student Government. Each Wednesday you have an opportunity to voice your perspective on important issues facing our community and often do so in front of administrators or decisions makers within town. The program allows students to learn from their peers' varying perspectives and become producers of their educational experience rather than just being consumers of it. We will provide the microphone and forum, you provide the perspective.

STUDENT AFFAIRS REWARDS & ROGNITION NOMINATIONS

Have you received excellent service from someone in Student Affairs? Has someone gone the extra mile to enhance your experience at Penn State? Did a Student Affairs staff member demonstrate sensitivity toward you? The Student Affairs Rewards & Recognition Committee is taking nominations for the "Outstanding Service Students Award." Please take a moment to nominate deserving individuals. Your nomination will let them know that their contributions have made a difference.

Visit <http://www.sa.psu.edu/awards/default.html> to submit your nomination today. If you are not able to access the site and/or if you prefer a hard copy of the nomination form, please contact Karen Struble at kas5@sa.psu.edu or call 3-1710. If you are not sure who is in Student Affairs, please refer to <http://www.sa.psu.edu/sadepts.shtml>

Nominations are due by 5pm on April 1, 2005.

VEDIC SOCIETY LECTURE SERIES

PRESENTS
MODELS OF INSPIRATION: His Holiness Romapada Swami
MARCH 28, 2005
7:00 PM, 201 THOMAS BLDG.

Mechanistic views of modern science fail to adequately explain the well-known phenomenon of inspiration, a force that great creative geniuses, ranging from music composers to mathematicians, rely upon for their genius and creativity. A non-physical model is explored after exhausting the mechanistic model's limitations.
