

# Lions secure 12th-straight title with win

By Andrew Robinson  
COLLEGIAN STAFF WRITER

Katie Schoepfer said her 11th goal of the season was "nothing flashy."

But to Jess Rosenbluth, who set up the senior forward, the goal was something else.

Behind Schoepfer and freshman Jackie Molinda's goals, the Penn State women's soccer team (12-5-2, 8-1-1 Big Ten) defeated Michigan (6-9-5, 1-4-5) by a 2-0 score on Sunday. With the win, the Nittany Lions secured sole possession of their 12th straight Big Ten title.

"I got the ball and looked up and saw her making a run and played it to her feet," Rosenbluth said of the play. "She turned and shot and scored like she always does. The defense packed it in a lot, so for her to turn and shoot, she had

three defenders on her, it was really impressive."

Against a Michigan team that packed its defense in the back third of the field, the Lions relied on solid midfield play and bench energy in the win. Rosenbluth and senior Nikki Watts came in and provided assists and Molinda scored her first collegiate goal.

While the team wasn't expecting much offensive pressure from the Wolverines, Watts said the Lions wanted to win by more than one goal. Rosenbluth said the Lions switched out of their normal formation to play two wing midfielders, which helped widen the defense and get Schoepfer and junior forward Dani Toney more space.

"We knew Michigan was going to be a really hard team to break down and that we may have to use some different formations, different players to break them down," Watts said. "We knew that if [the reserves] were called upon to go in we had to be ready to do our job."

Coach Erica Walsh was pleased with the team's performance and

said that both goals came after a build-up. Molinda's score was started in the midfield when Ali Schaefer got the ball to Watts, who beat her defender to the end line.

Watts fired a crossing pass in front of the net, and Walsh said Molinda crashed the net and put the ball away.

All week in practice, the Lions worked on making fast passes and worked with a loaded box. Despite having clinched a share of the Big Ten Friday, Schoepfer said the win shows a lot about the team's makeup that it played Sunday's game with the goal of playing hard and winning the title outright.

"They were nice and patient, moved the ball around well and didn't let the frustration get the best of them," Walsh said. "We were really proud. Playing against a team the way Michigan plays can be extremely frustrating and I thought our team did very well."

With the NCAA tournament the next challenge for the Lions, Schoepfer said getting a win on the road was a boost to the team's confidence. The senior said

Danielle Toney (28) prepares to take a shot against Lynn during a game Oct. 11. The women's soccer team won the Big Ten title this weekend.

Michigan had a decent crowd on its Senior Day and the win shows the Lions' makeup when facing a hostile environment.

"Keeping our momentum going through the most important part of our season with NCAAs is huge for us," Schoepfer said. "Against a team we could have tied, we came out with the right mentality."

HAPPY BIRTHDAY for Monday, Nov. 9, 2009.  
This year, others will note that you are far more available than in the past. You could be concerned about many different projects, as well as your immediate community. Others will know what you are thinking and why. A uniqueness surrounds your personal domestic life. On another level, because of a need to be close to water, you might psychically create a leak in your house. Creativity will surface if you allow yourself to take frequent walks by water or bring water close to you in some form, for instance, a table water fountain. If you are single, meeting someone of interest happens with ease. If you are attached, if the two of you can commit to a project or some form of community involvement together, you will become much closer. LEO pushes you into the limelight.  
The Stars Show the Kind of Day You'll Have:  
5-Dynamic; 4-Positive; 3-Average; 2-No; 1-Difficult

**ARIES** (March 21-April 19)  
Pressure builds. Inevitably, you look to reorganizing or finding a shortcut. Consider delegating and saying no more often. Others seek you out to be in a meeting, on the phone or at lunch. Your understanding grows as you listen. Still, know when you have too much on your plate. Tonight: Take a necessary break.  
**TAURUS** (April 20-May 20)  
A family member appears to demand concession after concession. You know that you have many options. Try testing them out on someone else. Be open to the possibilities. Much of a current problem involves a misunderstanding.

ing. Get past an immediate upset. Tonight: Head home.  
**GEMINI** (May 21-June 20)  
You clear out a problem quickly. Understanding will evolve to a new level if you state your case clearly and efficiently. Many opportunities pop up if you detach and relax. Someone's vague attitude could be annoying. Tonight: Talking up a storm.  
**CANCER** (June 21-July 22)  
Curb wild spending. Pressure builds financially, and or the urge to spend emerges. Confusion surrounds communication. You want to stay on top of your game. Listen to your inner voice, especially regarding finances. Tonight: Your treat.  
**LEO** (July 23-Aug. 22)  
You are all smiles. Remain imaginative yet also maintain a sense of realism. Stay in contact with your needs, even though someone might convince you not to worry. Start taking better care of yourself. Tonight: Enjoy being king-pin.  
**VIRGO** (Aug. 23-Sept. 22)  
Listen to news that heads in your direction. You might want to rethink a decision or situation. You could feel overwhelmed by all your work, calls and meetings. Know that you can do it. Tonight: Choose a stress-buster.  
**LIBRA** (Sept. 23-Oct. 22)  
You are all smiles and ready to leap into action. Meetings could be provocative but give you excellent feedback. If you prioritize and know what you want, you will grow and evolve in another direction. Tonight: Where people are. The kid in you emerges, one more time.  
**SCORPIO** (Oct. 23-Nov. 21)  
A must appearance makes a big difference in how others respond. Sometimes you need to remind them of who you are or where you are coming from. Trust your judgment. Evaluate a situation with an authority figure. Tonight: A must appearance.  
**SAGITTARIUS** (Nov. 22-Dec. 21)  
Read between the lines, and you will have a greater understanding than most of the people around you. Ask yourself what isn't being said. Note people's reactions. Tonight: Continue being a psychological sleuth.  
**CAPRICORN** (Dec. 22-Jan. 19)  
A partner demands much more of your time and attention. You have what it takes. Listen to your inner voice, yet understand that others might need more facts or understanding. Play along. Tonight: A must appearance.  
**AQUARIUS** (Jan. 20-Feb. 18)  
Defer to others and gain more understanding. You see others trying hard to get your attention. Listen well and communicate your interest. You have a lot of confusion around you. Confirm meetings and let your creativity speak. Tonight: Say yes to an invitation.  
**PISCES** (Feb. 19-March 20)  
An even approach does much to make peace in your immediate surroundings. If you are tired, pull back, take a break or postpone. Without intending to, you allow negativity to float in. Tonight: Squeeze in some exercise.
