**State College Borough Residents:**

**Snow Removal on Sidewalks Reminder**

Sidewalks must be cleared of all snow and ice within 24 hours after a snowfall has ceased.

Keeping the sidewalks clear is critical for both public safety and accessibility. It is especially important to clear ramps at corners so that full access is maintained. Failure to clear sidewalks will result in violations and costs to the property owner when the Borough has to contract for the sidewalks to be cleared. The full ordinance can be found online by going to the Borough's website which is [www.statecollegepa.us](http://www.statecollegepa.us) clicking on Borough Codes and then on Chapter XVI, Part G.

Questions may be directed to the **State College Department of Ordinance Enforcement & Public Health** at 814-234-7191.
