

Wade garners award after shift in attitude

By **Brendan Monahan**
COLLEGIAN STAFF WRITER

The Ridge Riley Award could have gone to either wrestler.

Both Cameron Wade and Cyler Sanderson pinned their opponents, capping the weekend with two falls. Though Sanderson had no trouble barrel-rolling through the legs of Michigan's Dave Johnson to reverse his opponent's leg-hold

into a Nittany Lion takedown. Wade garnered the award, signaling the Twinsburg, Ohio, native's buying into head coach Cael Sanderson's approach. "He went out there and got a quick takedown," Cael Sanderson said.

"He works on top. He's not just trying to ride. He's trying to turn. He's putting some points up. It's fun to see."

Assistant coach Troy Letters thought Wade's recent point surplus arrived because of the heavy-

weight's attitude change. For Letters, the tools to decisively beat every opponent are in the redshirt sophomore's arsenal.

Wade paced the hardwood floor between the fan bleachers before his bout with Michigan's Ben Aplan. While fans intently watched Dave Crowell's match, Wade walked behind the bleachers then back into sight, listening to his headphones, putting his head down and sporting a blue hood that covered his head — anticipating the opportunity

to show his new attitude.

"He's taking the approach he's going to get his under hooks, throw you down and pin you," Letters said. "That is really what it is, what it comes down to, especially at heavyweight."

Aplan's lone takedown of Wade agitated the Lion wrestler. At the start of the second period, Aplan controlled Wade and drove him to the ground, but the Wolverine's momentum was short lived. Wade countered Aplan's two-point move with a reversal.

"It's something that gets at me," Wade said. "It's just some of the things I have to work on, just get over that and not let it happen again."

Wade had stressed his concern with consistency this season, but as Letters said, now the redshirt sophomore seems to be finding his niche.

"He can go out there and do it against anyone," Letters said, "and now it's time to do that."

By **Jacqueline Bigar**

HAPPY BIRTHDAY for Monday, Feb. 8, 2010:
This year, you want to make a difference, yet you will have several hurdles to jump over. Friends surround you and support you in your actions and decisions. You'll come up with unique solutions, especially if you have several wise advisers or supporters. If you are single, you draw several new potential suitors. Think first about the type of relationship you want when sorting through your "options". Then you will make the right decision. If you are attached, you are opening up to a new period in which you both need to stretch your wings. **SAGITTARIUS** is a friend indeed.

The Stars Show the Kind of Day You'll Have: 5-Difficult, 4-Positive, 3-Average, 2-Soso, 1-Difficult.

ARIES (March 21-April 19)
**** Changes occur with a great deal of ease. The unexpected happens. Follow through on what needs to evolve, in your opinion. Your creativity emerges when connecting with someone in the know. Tonight: Get into the moment.

TAURUS (April 20-May 20)
*** How you deal with someone and the decisions you make could mark your relationship for the long-term. Someone could do the unexpected out of the blue, forcing you to reconsider that particular association. Tonight: Have a long-overdue discussion.

GEMINI (May 21-June 20)
*** Others run with the ball. Though you might not like what happens, know where you are heading in a critical conversation. If you want to know more or

grow past a limitation, be sensitive to feedback. Tonight: Out and about.

CANCER (June 21-July 22)
*** Work directly with associates. Understanding evolves to a new level. Recognize what actions are needed in order to maintain a straight path and to avoid all distractions, for your sake. Realize what is going on behind the scenes. Tonight: Squeeze in some exercise.

LEO (July 23-Aug. 22)
***** Your creativity emerges when dealing with someone you care about. Review a matter that needs more feedback. You feel as if you don't have the right answers. Open up to talk. Your sense of humor could stun someone. Tonight: Where the action is.

VIRGO (Aug. 23-Sept. 22)
*** Stay centered, and know what is happening. Your sense of humor comes out when dealing with family. Understand that someone might not be sharing everything. This person could be in your family. Tonight: Happy at home.

LIBRA (Sept. 23-Oct. 22)
**** Feedback is always important. Take the lead in a dialogue, knowing full well where this conversation is going. Be willing to dialogue and move past a problem. Understanding will emerge as a result. Be on top of your game. Tonight: Out and about.

SCORPIO (Oct. 23-Nov. 21)
*** Be aware of how much you have to offer and why you are at the point that you are. Money isn't the only way to measure self-worth. Do more thinking as you attempt to be more aware of what is being offered. Tonight: Treat yourself on the way home.

SAGITTARIUS (Nov. 22-Dec. 21)
***** You are a bundle of get-up-and-go. This enthusiasm could be most challenging to many people. Let your hair down, and worry less about others. Information heads in your direction. Listen and share more. Tonight: The world is your oyster.

CAPRICORN (Dec. 22-Jan. 19)
*** Take your time sorting through information. Observe the unexpected as it occurs. You could be taken aback by all the alternatives that surface. Think positively when dealing with a child or a long-term situation. Tonight: Take some long-needed personal time.

AQUARIUS (Jan. 20-Feb. 18)
***** Greet a meeting with a smile. Others clearly want your support and will listen. Know when you are on overload and can do no more. Review several suggestions. If need be, play devil's advocate. You'll come up with answers. Tonight: Where the action is.

PISCES (Feb. 19-March 20)
**** Take charge and handle a situation directly. Sometimes you act in an unexpected manner, which tosses others into a tizzy. Your instincts guide you in a new situation. You might be deceiving yourself. Tonight: A mist appearance.
