HAPPY BIRTHDAY for Thursday, Feb. 11, 2010:
This year, you make a difference, especially if you tune in to your instincts. Your finances could improve considerably, as a result of your ability to really understand your hunches and at the same time grasp trends. You could be overwhelmed by all the different opportunities that head in your direction. Toward fall, you will feel much more empowered and capable of manifesting your desires. If you are single, a friendship could be involved in the beginnings of a new romance. If you are attached, focus on your partnership more than your personal life. You discover the power of nurturing. AQUARIUS is a soul mate.
