HOROSCOPES

By Jacqueline Bigar

HAPPY BIRTHDAY for Tuesday, Feb. 16, 2010:

This year, you have an opportunity to stabilize your finances and create greater monetary flow and security. Your understanding of those in your immediate environment comes out frequently. Others will tend to confide in you. Learn to keep a secret. If you are single, you will want to impress a new sweetie. Be careful. You want someone to care for the real you. If you are attached, date on your significant other a little more often. You will witness a change. Enjoy the new warmth. ARIES adds wit to any conversation.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-Sol-so; 1-Difficult

ARIES (March 21-April 19) ***** The unexpected could set you back and encourage a better response or a more direct inquiry. If you are willing to back off and do something totally different, everyone will gain. You might have a secret that you choose to enjoy but not share. Tonight: The world is your oyster.

Taurus (April 20-May 20) ***** Being goal-oriented is perfectly OK, especially if you get a lot done and create as much good will as possible. Acknowledge others for their support, especially as they easily could have been instrumental in your success. Tonight: Make it just for you!

GEMINI (May 21-June 20) ***** You must take charge and take the lead if anything is going to get done. Investigate alternatives surrounding a long-term goal. Give up monovision, and

you will see the path. Someone demonstrates his or her caring in a way that counts. Tonight: Where your friends are. CANCER (June 21-July 22) ***** Keep reaching for the impossible dream. Consider alternatives that surround this wish. News from a distance is full of facts and important information. Stay open, but know when you must take the lead. Tonight: Burning the candle at both ends.

LEO (July 23-Aug. 22) ***** Unexpected developments could turn out well, as long as you don't push one way or the other. You'll find answers when you least expect it. Trust yourself and be willing to break out of a pattern. A new approach pays off. Tonight: Put on music and leave work way behind.

VIRGO (Aug. 23-Sept. 22) ***** You are in a position in which you might want to defer to others. How you make what you want happen often is surreptitious, truth be told, but it works. Just remember not to lose your authenticity on the way. Tonight: Deal with a loved one directly.

LIBRA (Sept. 23-Oct. 22) ***** All work really doesn't work well. You need to loosen up some and take a break. You look at all the mounds of work and cannot see how taking a break would help. You will recharge, be more creative, and more effective. Tonight: Listen to a suggestion.

SCORPIO (Oct. 23-Nov. 21) ***** You might have difficulty settling in and getting ahead. You might want to rethink a decision with more care. Investigate possibilities more openly, and don't negotiate a risk. It could be just what the doctor ordered. Tonight: Do

for you. SAGITTARIUS (Nov. 22-Dec. 21) ***** You might be hard-pressed to come up with the right answer, especially as you could be surprised by the nature of the question. Give yourself time to think and come up with appropriate answers. Tonight: Let your hair down.

CAPRICORN (Dec. 22-Jan. 19) ***** Keep communication open and flowing. Realize what might be happening within your immediate circle. You might not like the answers you come up with. If you can call it an early day and work from home, please do. Tonight: Home is where the heart is.

AQUARIUS (Jan. 20-Feb. 18) ***** Be sensitive to spending, and make decisions accordingly. Realize that you cannot always take a risk and trust that you will be lucky. Don't push, and understand your limits. A late-day discussion proves to be powerful, if nothing else. Tonight: Keep a conversation going.

PISCES (Feb. 19-March 20) ***** Your smile is a sure-bet winner, and others respond, even if you do something unexpected or quirky. Your vision of what works might not be in accordance with someone else's. Understand the power of magnetism. Tonight: Your treat.

BORN TODAY: Rapper, actor Ice T (1958); tennis player John McEnroe (1959); dancer Vera-Ellen (1921) ...

***** You might have difficulty settling in and getting ahead. You might want to rethink a decision with more care. Investigate possibilities more openly, and don't negotiate a risk. It could be just what the doctor ordered. Tonight: Do
