

Now is the time...

...to plan for

- summer internships
- co-ops
- full-time positions after graduation

Spring Career Days

Today

Computer & Information Technology, Engineering, Health & Life Sciences, Physical Sciences, and Research Career Day

Bryce Jordan Center, 11:00 am - 4:00 pm

Who Should Attend?

Employers attending today will be discussing opportunities in career areas for students in the following majors:

- Agricultural Sciences
- Arts & Architecture
- Business
- Engineering
- Health and Human Development
- Information Sciences and Technology
- Science

To search for employers connected to your career interests, go online to www.fairs.sa.psu.edu/spring/student/employers.shtml

Tomorrow

Remember to...

- Write thank you notes to the recruiters you met with at the career fair and/or interviewed. Reiterate your interest in the organization and name at least one specific item that impressed you about the organization.
- Upload your resume on the employer's website to complete the application process as instructed by the recruiter.
- Utilize Nittany Lion Career Network to access additional job postings and information sessions offered by employers.
