BLUE & WHITE WEEKEND
FRIDAY APRIL 23RD - SATURDAY APRIL 24TH
presented by

HOROSCOPES

BROUGHT TO YOU BY

GIVE BEFORE YOU GRADUATE!
Visit www.SeniorClassGift.com

By Jacqueline Bigar

HAPPY BIRTHDAY for Friday, April 23, 2010. This year, you have many opportunities. You could opt for a home-based business or go into a profession that you really love. A mentor often inspires you. Enormous resourcefulness makes the world your oyster. Be sure of your goals. If you are single, a compulsive attraction could be all you see. If you are attached, with a little nurturing, the romantic flames could start blazing again. VIRGO reveals a different side.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-No-so; 1-Difficult

ARIES (March 21-April 19)
Focus on coming up with viable answers during a brainstorming session. You gain insight into a friend out of the blue. In the p.m., think "Friday." Someone could keep calling or dropping in, interfering with your thought process. Tonight: Wander home, maybe visit with a friend.

TAURUS (April 20-May 20)
Pressure builds on the home front. Not until you say "enough" at least to yourself... will you complete your work. A friend could be quirky and change plans back and forth. A boss appreciates your efforts. Tonight: Playtime!

GEMINI (May 21-June 20)
In the morning, ask for what you want clearly and directly. Hedging simply isn't going to cut it. In the afternoon, even if it is Friday, you want to pull back and do some thinking. If you're at work, you might be grasping the enormity of a project. Tonight: Happiest at home.

CANCER (June 21-July 22)
Curb overindulgence. Take a deep breath and identify what you want. Communication will excel if you are able to identify with others. Allow someone who needs control to have it, for everyone's sake. Tonight: Hang with friends.

LEO (July 23-Aug. 22)
You are on cruise control. Someone isn't seeing a situation the same way as you do. Could this difference be a problem? In the afternoon, dig into work. Tonight: Your treat.

VIRGO (Aug. 23-Sept. 22)
Though you might be out of kilter with the world in the a.m., by the afternoon, you feel empowered. Don't allow an associate or co-worker to distort your idea. You might need to simplify your language. Confirm that everyone is on the same page. Tonight: Do what you think is best to start the weekend.

LIBRA (Sept. 23-Oct. 22)
Dedicate the morning to a key issue. Your ability to zero in on what you want allows for more success. In the afternoon, you need some quiet time to center and make decisions. Tonight: Let your mind wander, even if you don't feel like following!

SCORPIO (Oct. 23-Nov. 21)
Accept your role in a project, as you cannot change it. Understand that others push you into the role of being the front person. A meeting could be more important than you realize, whether it's in your personal or professional life is yet to be determined. Tonight: Where your friends are.

SAGITTARIUS (Nov. 22-Dec. 21)
Gain understanding as to why a boss or older relative feels so strongly.

What is clear is that you will be carrying that sword for them, like it or not. You might be surprised by what happens in that case. Tonight: A must appearance.

CAPRICORN (Dec. 22-Jan. 19)
A partner lets you know exactly what he or she thinks. Finances could be involved in a semi-reluctance to follow through. Distance yourself from this matter, for today. In time, you will find a suitable arrangement. Tonight: Turn into a party animal.

AQUARIUS (Jan. 20-Feb. 18)
Others might not be responding as quickly as you would like. The real bottom line is that they have many other matters on their mind. A conversation later in the day reminds someone exactly what you expect and where you are coming from. Tonight: Why not add some romance to your life?

PISCES (Feb. 19-March 20)
Get an early start on paperwork or any matters that demand your complete attention. Others will meander in this afternoon, waiting your time and attention. You will want to network. Free up as much time as possible. Tonight: In the social whirl of life.
