By Jacqueline Bigar

HAPPY BIRTHDAY for Thursday, July 8, 2010:

This year, you need to do more reflecting and thinking. Sometimes a haze of confusion surrounds your life. Learn yoga or another technique to reduce stress. By centering, you will make better choices. Often others observe your behavior and leadership. Don't think that there is anything but admiration there. If you are single, you could meet someone, or actually two people, through work and/or a public commitment. Each person offers a lot, but who suits you best? If you are attached, the two of you enjoy going out and about together. Share more private time together. GEMINI makes an excellent healer.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

**ARIES** (March 21-April 19) ★★★★★ You are a sign that is not overly loquacious, though you are verbal. You will need to approach a situation differently. Try all the different ways you can to verbalize the same concept. You might have to repeat yourself more than once with an authority figure. Tonight: Hang with friends.

**TAURUS** (April 20-May 20) ★★★★★ Be aware of how easily you can act out and overspend. Is that what you really want to do? A devil-may-care attitude could provide much discomfort later. Try sagesse in reference to spending and feelings. Tonight: Pay bills first.

**GEMINI** (May 21-June 20) ★★★★★ You soar with what might feel like endless energy. Funnel this vitality where it counts. You could waste this

cycle if you aren't careful. Do you really want that? Tonight: A partner or dear friend remains touchy.

**CANCER** (June 21-July 22) ★★★★★ Know when to pull back and do some thinking. The unexpected occurs with a boss, at work or within the community. Try not to feel negative, as there is an opportunity to do so within this situation. Tonight: Get some extra R and R.

**LEO** (July 23-Aug. 22) ★★★★★ You express your fiery nature in what could be a quizzical situation. Respond naturally, and you will see the results of your particular set of talents. Opportunities come through your intellect or through travel. Tonight: Where people are.

**VIRGO** (Aug. 23-Sept. 22) ★★★★★ Deal with key people directly. Don't push beyond what can be absorbed. You might be more comfortable with the facts now, as you have had more time to think about them. Tonight: Have a necessary talk over dinner.

**LIBRA** (Sept. 23-Oct. 22) ★★★★★ Your spontaneity defines a situation. You are probably more willing to take a risk than many. You see more of the big picture and don't have the same trepidation. Tonight: A family member could be a bit of a drag.

**SCORPIO** (Oct. 23-Nov. 21) ★★★★★ Defer to others. Deal with key people on an individual level. Your daily life could be going through some unexpected changes. Don't fight the inevitable. A discussion could be more difficult than you anticipated. Tonight: Hang out with others without judging them.

**SAGITTARIUS** (Nov. 22-Dec. 21) ★★★★★ Others seem unusually spon-

aneous and fun. You might be stunned by a loved one or, if single, by what could blow into your life in the next few days, weeks and months. Remember, as easily as this person enters is as easily as he or she could leave. Tonight: Enjoy the haze created by a special person in your life.

**CAPRICORN** (Dec. 22-Jan. 19) ★★★★★ All work and no fun happens with you more than any other sign. You could sacrifice some elements of your personal life. Be sure that there is not another way or approach. Use care with your finances, and avoid any money agreements. Tonight: Put your feet up.

**AQUARIUS** (Jan. 20-Feb. 18) ★★★★★ You have a unique outlook that sometimes causes you to do something wacky or different. You might not be comfortable with what you are feeling or with what others are responding to. There could be a schism here. Tonight: Let your hair down. Start the weekend early.

**PISCES** (Feb. 19-March 20) ★★★★★ If you can stay home, do. Your finances could be changing rapidly. You might try to change the situation through interference. Your instincts could be off. Stay with the facts. Tonight: Be a couch potato.

**BORN TODAY**  
Actor Kevin Bacon (1958), singer Steve Lawrence (1935), singer Toby Keith (1961)
