## HOROSCOPES

By Jacqueline Bigar

**HAPPY BIRTHDAY** for Thursday, July 15, 2010:

This year, note the mood swings you or your companions might go through. There are no answers, only an understanding that everything changes quickly. Also, don't stand on ceremony with friends or loved ones. If you are single, you could develop an interesting bond, but don't trust that it is forever unless it is. A fight doesn't mean it is over. If you are attached, your communications certainly vibrant and active. Don't always take words as literal. VIRGO can be testy, but also very kind.

He Stars Show the Kind of Day You'll Have: 5 D, 4 M, 4 P, 4 Positive, 5 Average, 2 S, 1 D, 1 A.

**ARIES** (March 21-April 19)

\*\*\* Can there be such a thing as too much energy? If so, you could become testy if you aren't love enough today. Act like the Energizer Bunny, and you'll achieve more than you can imagine. Tonight: Make it OK to go out on the town.

**Taurus** (April 20-May 21)

\*\*\*\*\* Your imagination mixed with determination could enact changes, if you so choose. You also simply might opt for a good exercise session or make a fun, active dinner plan in the next few days. Tonight: Note the long-term looks.

**GEMINI** (May 22-June 20)

\*\*\* It is asserted that you are not well on the home front. You might feel as if someone or something is out of control, yet you may not be able to put your finger on it. Trust your inner judgments more often. Tonight: Missy or Bonnie.

**CANCER** (June 21-July 22)

\*\*\*\*\* Keep communication open and, if possible, nonjudgmental. If you say something that upsets someone and you know it, put out the fire before there is a major issue. You could be a touch sarcastic right now. Work on your listening skills. Tonight: Say "yes" to a fun invitation.

**LEO** (July 23-Aug. 22)

\*\*\* Watch your spending. You could go overboard and be surprised. The problem lies somewhere else. Could you be suppressing some anger or frustration? By going off and perhaps making a purchase, you might avoid those feelings. Tonight: OK...time to treat.

**VIRGO** (Aug. 23-Sept. 22)

\*\*\*\*\* Despite a morning upset, you have enormous potential, with the Moon in your sign. You are energized and magnetic, and others seem to want to work with you. Make special time for a dear friend. Tonight: Your wish is another's pleasure.

**LIBRA** (Sept. 23-Oct. 22)

\*\*\* Take your time. It isn't imperative for you to act immediately. Sort through your thoughts and feelings. There is more to your reaction than you realize. You might need some time alone. Use your instincts with a boss or higher-up. Tonight: Try not to make plans.

**SCORPIO** (Oct. 23-Nov. 21)

\*\*\*\*\* Continue the theme of the note, the merger. Opt for meetings, get together and open up discussions. Avoid a one-on-one chat. A male or assertive friend could be pushing you. Establish boundaries quickly. Tonight: In weekend mode.

**SAGITTARIUS** (Nov. 22-Dec. 21)

\*\*\*\*\* Your drive to complete a project is strong, though you could be

exhausted by everything that is going on around you. Lighten up about events and what you need to do. Indulge yourself, too. Tonight: Might be a late night.

**CAPRICORN** (Dec. 22-Jan. 19)

\*\*\*\*\* You could feel as if you are not making the right moves or are causing yourself a problem. A family member or roommate also could be outrageous, whether you know it or not. Don't make any decisions right now. Tonight: Detach first, then decide.

**AQUARIUS** (Jan. 20-Feb. 18)

\*\*\*\*\* Someone close to you swings from hot to cold so quickly that you could be thrown for a loop. Realize the innate limitations when relating to this person. For now, an old progressive statements and actions. Give this situation space. Tonight: Try to listen to someone by imagining what it would be like to be him or her.

**PISCES** (Feb. 19-March 20)

\*\*\*\*\* Others could be contentious, then they could be as sweet as pie. You might feel like you are going through a revolving door, never knowing who will be there. Relax. You aren't going to change anyone. Tonight: Do whatever knocks your socks off. Say "no" to anything else.
