# HOROSCOPES

By Jacqueline Bigar

**HAPPY BIRTHDAY** for Thursday, July 22, 2010:

This year, you have spark and get-up-and-go. Once you are committed, you can clear out nearly any project or task. If not properly funneled, your energy could cause a problem. Be careful when you sit on anger, you could become more accident-prone. If you are single, you draw many people, especially through public commitments. Take your time getting to know a potential sweetie in this busy year. If you are attached, the two of you need to learn new ways of expressing frustration. Learn to be less judgmental with your sweetie. Walk in his or her shoes. He or she will start extending the same caring to you. SAGITTARIUS will pick up any slack at work.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

**ARIES** (March 21-April 19)

\*\*\*\*\* Seek out new ways of thinking and better ideas. For some of you, this search entails finding experts. For others, surfing the Net might work. Creativity starts to flow, and you cannot cap it! Tonight: Let the fun begin.

**TAURUS** (April 20-May 21)

\*\*\*\*\* A partner or associate gives you his or her opinion, like it or not. A boss also might dominate more than in the recent past. Don't personalize what is happening; simply adjust to changing times. Tonight: Consider long-range options.

**GEMINI** (May 22-June 20)

\*\*\*\*\* Others want your feedback and your attention. You might feel as if they want a lot, considering what is on your plate. Your creativity might flatline as you seek solutions. Communication

flourishes, in any case. Others listen to your ideas, as well as honor your boundaries. Tonight: Squeeze in as much as possible.

**CANCER** (June 21-July 22)

\*\*\*\*\* Go through each part of a plan carefully. A partner might seem inspired; a boss appears to be unpredictable. At the moment, your only feasible option is to interact without creating too much flak. Give yourself and others time to rethink your positions. Tonight: Make doing nothing OK.

**LEO** (July 23-Aug. 22)

\*\*\*\*\* Your natural *joie de vivre* comes out no matter what you do. Your commitment to living inspires many, but none as much as you. Don't push beyond your natural limits, even if you want to accomplish a lot more. Tonight: Add a much-desired item to your wardrobe.

**VIRGO** (Aug. 23-Sept. 22)

\*\*\*\*\* Your style of presentation makes a difference, and others respond. You might be wondering about a partner or associate who, at best, has been difficult. Mobilize your unusual energy. Tonight: Clear out a project.

**LIBRA** (Sept. 23-Oct. 22)

\*\*\*\*\* Keep conversations flowing, even if you feel as if you want to close down. Your sense of direction emerges in a conversation. Many around you demonstrate an unusual ability to accept a new idea or technology. Tonight: Out and about.

**SCORPIO** (Oct. 23-Nov. 21)

\*\*\*\*\* Be aware of the costs of continuing on the present path. You might be overwhelmed by various options, and cannot see each one's limitations and benefits. Brainstorm with a friend who always gives you powerful feedback. Tonight: Your treat. Make it OK to treat yourself too.

**SAGITTARIUS** (Nov. 22-Dec. 21)

\*\*\*\*\* Tap into your fiery energy, which might look like impulsiveness to many. Pressure builds at work with a boss or supervisor. If this person blows his or her cool, don't react. Give him or her space. This person's tune could change. Tonight: Only what you want.

**CAPRICORN** (Dec. 22-Jan. 19)

\*\*\*\*\* Give yourself permission not to react to a situation. Someone could be antagonized and lose his or her temper. Detach, and don't get personally involved. You also could find alternate ideas. A partner or associate has strong opinions. Tonight: A quiet dinner.

**AQUARIUS** (Jan. 20-Feb. 18)

\*\*\*\*\* Willingly walk into a meeting. Though you might feel briefly discouraged, when others start opening up, sharing ideas and support, you feel encouraged. You inspire others as well. Sometimes being less specific leaves space for other ideas. Tonight: Acting as if the weekend is here.

**PISCES** (Feb. 19-March 20)

\*\*\*\*\* Stay on top of work, and respond to a boss. Your instincts point to the correct direction or the way to phrase an important presentation. A partner or someone you could be tied to financially closes down again. Tonight: Burning the candle at both ends.

**BORN TODAY**

Comedian David Spade (1964), game-show host Alex Trebek (1940), former senator Bob Dole (1923)
