## HOROSCOPES

**By Jacqueline Bigar**

**HAPPY BIRTHDAY** for Monday, July 26, 2010:  
This year, you often will let go of what isn't working. Not getting stuck and being willing to walk a new path, as insecure as you might be, is critical. You have a sense of direction, but the path to get there is unpeeled. Learn to look at the big picture and use your ability to detach. If you are single, you could meet not one but two people of interest. The process of choosing could be more fun than you realize. If you are attached, you come to a new level of understanding with your significant other. However, nothing will be written in stone. Let change in, and you will greet a more dynamic relationship. AQUARIUS can be challenging.

The Stars Show the Kind of Day You'll Have:  
5-Dynamic; 4-Positive; 3-Average; 2-Soso; 1-Difficult

**ARIES** (March 21-April 19)  
\*\*\* Your mettle gets tested. You encounter challenges within your immediate circle and long-term plans. Your ability to see past immediate issues marks a newfound optimism and resourcefulness. Let these traits emerge. Tonight: With friends.

**TAURUS** (April 20-May 21)  
\*\* You feel that you must give up a cherished goal. You might want to clarify and prevent vagueness. Your instincts will come through for you; tap into your creativity. Solutions will slowly appear if you are flexible. Tonight: A must appearance.

**GEMINI** (May 22-June 20)  
\*\*\*\* Reach out for someone who might have a different grasp or perspective on a situation. Your ability to see past the obvious helps you create an unusual solution to a challenge. Walk away from the tired-and-true. Tonight: Break patterns.

**CANCER** (June 21-July 22)  
\*\*\*\* You have your hands full juggling assorted pressures. In your opinion, a partner is overly optimistic in his or her thinking. Take a stand, though you might be surprised by how it changes. Be smart - don't hold on to the old. Tonight: Visit with a trusted friend.

**LEO** (July 23-Aug. 22)  
\*\*\*\* You are able to move through a confusing situation and come up with ideas. Perhaps you might want to detach and gain a deeper perspective. You might want to spend money and indulge maybe not the best idea at the moment. Tonight: Hang with friends.

**VIRGO** (Aug. 23-Sept. 22)  
\*\* You might be overly worried. The unexpected could cause a strong reaction. Deal with a partner directly. Let your imagination and understanding guide you in your sleuthing. The unexpected forces you to let go of a coveted idea. Tonight: Do only what you must.

**LIBRA** (Sept. 23-Oct. 22)  
\*\*\* Be careful with anger. It could show up in a way that you later express remorse over. A child or loved one cannot abide your attitude, even if you think you have suppressed a problem. It needs to be cleared up. Tonight: Let go of what you think is working. It isn't.

**SCORPIO** (Oct. 23-Nov. 21)  
\*\*\* Confusion surrounds a domestic matter. Note that your inner thoughts might be pointing you in the wrong direction. Let go and consider your options more carefully. Accept an innovative and possibly nerve-racking idea.

Tonight: Quiet and easy.

**SAGITTARIUS** (Nov. 22-Dec. 21)  
\*\*\*\* You are able to tilt a situation back and forth, but know that confusion is a major issue. A power play could hurt your wallet. Your creativity flourishes. Your sixth sense comes forth. Tonight: Be open to others.

**CAPRICORN** (Dec. 22-Jan. 19)  
\*\*\* Be aware of your need to always have certain matters your way. When one has that type of rigidity, it can be difficult. Observe today's hassles, and weigh the pros and cons of working on being flexible. Tonight: Be good to yourself.

**AQUARIUS** (Jan. 20-Feb. 18)  
\*\*\*\* Air out your concerns, as you might want to walk away from problems and greet more happiness. In a way, releasing current issues might be the most effective possibility. An unexpected element runs through your communication and daily dealings. Tonight: Share more.

**PISCES** (Feb. 19-March 20)  
\*\* You are absorbing a lot. In this context, you must release a lot, too. Make no decisions right now. You need to process and think. It isn't time to say or do anything conclusive. Tonight: Lie back. Get some extra R and R.
