HOROSCOPES

By Jacqueline Bigar

HAPPY BIRTHDAY for Thursday, Aug. 5, 2010:

This year, you greet life with a new openness. Network, meet new people and don't hesitate to explore different ideas. You might not agree, but you understand finally where others are coming from. If you are single, you will meet many people, as outgoing as you are. Many people could be yours. Choose with care. If you are attached, you discover how much fun the two of you can have if you wave goodbye to being judgmental. OH MY! That's a fun scattered helps you focus.

The Stars Show the Kind of Day You'll Have: 1-Dynamic, 2-Positive, 3-Average, 2-Negative, 1-Difficult

ARIES (March 21-April 19)

***** Keep conversations moving for your sake. You don't want an active discussion or positive debate to tumble into quicksand. Others also provoke an enormous amount of resourcefulness. Stay on top of your game. Tonight: Make plans for the weekend.

TAURUS (April 20-May 21)

***** Curb a need to have certain events turn out as you might like. You can only control yourself and your responses. You have many reasons to let go and flow. Others might have a strong reaction to the new you, but there will be changes. Tonight: Indulge; buy that special item.

GEMINI (May 22-June 20)

***** You might not be as clear as you think you are being or would like to be. Your ability to communicate is inordinately strong. Count on your ability to get through to another party. Be more upbeat and forthright. Tonight: Play the

night away.

CANCER (June 21-July 22)

***** Take your time handling a personal matter. You could be most uncomfortable with information that comes forward. Sit back and look for more. It might take a few days, but once you hear more facts, understanding grows. Tonight: Lie back.

LEO (July 23-Aug. 22)

***** I look at what you want from various situations, and then you will know what to do. Others might be acting contrary at times. Logic will prevail. Of course, with the additional plus of your personality, who can say "no"? Tonight: How can anyone say "no" to you?

VIRGO (Aug. 23-Sept. 22)

***** Others seek you out for advice. They think you have the answers. Though there could be a sharp quality, you are coming from a centered place. Let your feelings about a key matter come out. Others need to know where you are coming from. Tonight: A must appearance.

LIBRA (Sept. 23-Oct. 22)

***** Take an overview, and you will feel as if no one can stop you. You have an unusually dynamic perspective, which frequently many people seek to tap into. Curb a need to make mountains out of molehills. Tonight: Follow the music.

SCORPIO (Oct. 23-Nov. 21)

***** A meeting could only become confusing if it isn't one-on-one. Avoid frustration and remain as direct as possible. Listen to news with a grain of salt. You simply might need to step up to the plate. Tonight: Chat over dinner.

SAGITTARIUS (Nov. 22-Dec. 21)

***** You might want to defer to others. Confusion marks a conversation; you care what this person thinks. You could try another way of having this conversation or choose other words. Tonight: Say "yes" to an invitation.

CAPRICORN (Dec. 22-Jan. 19)

***** You discover what is really going on between you and another person. You can find the answer by detaching. You could be delighted by what you discover. Kick back and open up. Tonight: Relax to music.

AQUARIUS (Jan. 20-Feb. 18)

***** If a partner or close associate seems as if he or she is in a somnolent distance yourself. You want to be treated in a certain way and need to let your friends know that. You might be delighted by how quickly the situation could change. Tonight: Fun and games.

PISCES (Feb. 19-March 20)

***** At times it might be best to close down and rethink a situation. Sometimes you feel you are hitting a brick wall. The smart thing is not to keep running in the same direction. Solutions and options will appear. Tonight: Happily heading home.
