**HOROSCOPES**  
 By Jacqueline Bigar

HAPPY BIRTHDAY for Monday, Aug. 9, 2010.  
 This year you have the opportunity for a new beginning. This energy actually emanates from your determination to change certain patterns. You energize many people; they often follow your lead. A change in your daily life is necessary, even if you don't like it! If you are single, you might discover how many people are interested. Pull back and do some soul searching. Realize not all people can give you the type of relationship you want. If you are attached, watch a tendency to become too me-oriented. Remember, it takes two to make a relationship work. Use care with a CAPRICORN.

The Stars Show the Kind of Day You'll Have:  
 5-Dynamic, 4-Positive, 3-Average, 2-Soso, 1-Difficult

**ARIES** (March 21-April 19)  
 \*\*\* No one in his or her right mind would attempt to push you aside or demand his or her way. You clearly are on top of your game and heading in the right direction. An innate ingenuity emerges when dealing with problems. Tonight: Does any invitation entice you?  
**TAURUS** (April 20-May 20)  
 \*\*\* If you can work from home, do. Plug extra energy into whatever you do. A new beginning is possible. Have you been considering a home office? Intensity marks your thoughts. Tonight: Make it easy.  
**GEMINI** (May 21-June 20)  
 \*\*\*\*\* You find answers. Extremes come up when juggling your "adult" life with a child and/or loved one. You might decide to handle a matter very different-

ly. A partner or associate could become controlling. Tonight: Catch up on a friend's news.  
**CANCER** (June 21-July 22)  
 \*\*\* Realize that you might be overburdened by all your responsibilities. You feel pressured and become reactive. Perhaps the best action you can take is to schedule a massage or some other mini-luxury that will help you mellow out. Tonight: Tally your bills.  
**LEO** (July 23-Aug. 22)  
 \*\*\*\*\* Others might be reactive and, in some manner, reminding you of busy bees running around without a thought. Stop and survey; the immediate situation. Don't say anything hurtful. The damages could be long term. Any decision you make, has an extra push with it if made today. Tonight: Fix or plug a fan.  
**VIRGO** (Aug. 23-Sept. 22)  
 \*\* If you don't feel up to snuff, don't be surprised. Much is happening quickly. You feel as if you cannot respond to the many requests and, on a personal level, "keeping up with the Joneses." Determine what you need. Sign up for a class, like yoga, to keep your level. Tonight: Vanish.  
**LIBRA** (Sept. 23-Oct. 22)  
 \*\*\*\*\* Zero in on key principles. Your ideas could be all over the place. Don't act or feel jeopardized. What you decide on is not only workable, it could be a home run! Tonight: Where the action is.  
**SCORPIO** (Oct. 23-Nov. 21)  
 \*\*\*\*\* Schedule a must appointment. Your instincts tell you which way to go with an authority figure. Responsibilities just seem to drop on you. A new beginning becomes possible with your wits, and/or a parent. Tonight: Burning the midnight oil.  
**SAGITTARIUS** (Nov. 22-Dec. 21)  
 \*\*\*\*\* A meeting determines the lay of the land. You could be touched by someone's gesture. Optimism surrounds a creative idea. Don't let a call to a child or new friend sit on the back burner. Tonight: Enjoy yourself to the max.  
**CAPRICORN** (Dec. 22-Jan. 19)  
 \*\*\*\*\* If you're feeling uncomfortable with a work-related matter, create some space between you and the issue. A home office might not be as successful as you would like. Review your options. Tonight: Push comes to shove. Walk away from stress.  
**AQUARIUS** (Jan. 20-Feb. 18)  
 \*\*\*\*\* Your airy style makes a difference. You seem to be able to absorb what might be dropped on you out of the blue. Sort through messages, and prioritize them. A new beginning becomes possible in a relationship. Tonight: Say "yes" to an invitation, even if it is Monday night.  
**PISCES** (Feb. 19-March 20)  
 \*\*\* While others seem to squeeze in time for socializing, it appears you need to buckle down and take a serious look at how you juggle money. You might be spending more than usual. Consider getting an extra job or putting in overtime. Tonight: A friend seems irritable.
