

Left guard Pannell feels pressure from Troutman

DeOn'tae Pannell (50) protects the quarterback last spring.

The competition at left guard has been a tight one.

Junior DeOn'tae Pannell, a versatile lineman who played both tackle positions over the last two seasons, has been the first-team left guard throughout the pre-season and is expected to start there noon Saturday against Youngstown State.

But warding off redshirt junior Johnnie Troutman as the season goes along could be a difficult task, especially as Troutman further distances himself from Joe Paterno's dog house, and if the current offensive line fails to protect the quarterback or run block adequately.

Right guard Stefen Wisniewski said he wouldn't be surprised if Troutman received some playing time, whether that meant Saturday or sometime down the road.

"It's definitely a close battle," Wisniewski said. "It's hard to say what separates them."

Wisniewski said consistency was the only area separating Pannell from Troutman. As of right now, the line seems set for Saturday. Penn State coach Joe Paterno said the offensive line has encouraged him, but the interior still needs improvement.

"We've made strides, and I think inside and at tight end, obviously, is going to be a little bit of a problem for us for a while," Paterno said. "but I think even there we're getting better."

Troutman's insertion could cause a ripple effect if left tackle Quinn Barham doesn't perform up to the coaches' standards this season. Barham though, making his first start at left tackle since moving there after the bowl game, is out to prove he can compete.

Pannell — Gerald Cadogen's backup at left tackle in 2008 — may find himself switching back to that position, but it's all contingent upon Barham's play and whether Troutman forces Pannell out of his spot.

Defensive tackle Ollie Ogbu, going up against Pannell in prac-

tice, said he sees flashes from Pannell, who was a top-25 offensive tackle out of Groves High School in Beverly Hills, Mich., according to Scout.com.

"I go up against him a lot, so I see how physical he can be," Ogbu said. "He's definitely taken strides for that."

Just as the right side of the line is dependent on the performance of center Doug Klopacz, Barham may hold the key to keeping the left side in tact.

Barham proving his worth would isolate the left-guard battle to a one-on-one competition without fallout. Barham wouldn't speculate as to whether Troutman could gain the starting spot later in the season but said the coaches are pushing for more consistency at left guard, and practicing with more than one player at that position hasn't been a setback.

"It hasn't really thrown us off or anything," Barham said. "It's making us better, just learning how to play with all of those guys."

HAPPY BIRTHDAY for Thursday, Sept. 2, 2010. Plunge ahead and experience new ideas. Often, you find others to be a partner or unpredictable. Make that OK, as you won't be able to change others, and you have never really been able to. You can choose your reaction. Often, you are so much in your head that others need to clearly break in. Curb a tendency to spend and/or be indulgent. If you are stressed, you meet people with ease, but proceed with care. Relationships have a good, predictable tone. If you are attached, enjoy your partner's quirkiness rather than criticize it. GEMINI is dominating.

The Star: Show the Kind of Day You'll Have. 5-Dynamic; 4-Positive; 3-Alert; 2-Nostalgic; 1-Difficult.

ARIES (March 21-April 19) ***** You come from a solid place, with good intentions. Those around you sense your integrity. You discover alienation in a discussion with a friend. Be happy that you are not the only person with good ideas. Two minds work better than one. Tonight, Return calls. Clear your desk. Catch up on a friend's news. TAURUS (April 20-May 20) ***** Realize what is going on behind the scenes. Dealing with a boss can be challenging because he or she is vague or spaced. Right now, you have a tendency to do a Vulcan mind meld with those you find on another plane. Tonight: Treat yourself and a special friend. GEMINI (May 21-June 20) ***** You are all smiles, and others respond to your energy. In fact, where you had difficulty before seems easy. Follow through on what up till now has been a dream. Your mind works over-

time, but you are right-on. Tonight: Get into weekend mode. **CANCER** (June 21-July 22) ***** A partner or associate relates on a one-on-one level. You are centered and direct in a conversation. Someone shares a confidential matter. Honor this person's trust. Resist letting another person know that you see his or her true motives. Tonight: Get some extra R and R when you can. **LEO** (July 23-Aug. 22) ***** Don't delay a decision. Once it's made, zero in on what you want. Someone close, perhaps an associate or neighbor, realizes where you are coming from. Success comes from a meeting with a group of supporters. Tonight: Going for what you want. **VIRGO** (Aug. 23-Sept. 22) ***** You might be reticent to take a stand. Curb a tendency to make decisions or judgments without others' feedback and/or acknowledgment. Inspiration comes from a new element in your daily life. Tonight: Burning the candle at both ends. **LIBRA** (Sept. 23-Oct. 22) ***** To many people, you seem mentally impulsive and direct. Others don't understand how well thought out your actions are. Sometimes sharing more of the process eliminates some of the flak. You cannot expect others to go from 1 to 5. It took us a while to get there, too. Tonight: The only answer is "yes." **SCORPIO** (Oct. 23-Nov. 21) ***** Your instincts will guide you with a partner. This person is lighter and more spontaneous. However, he or she also needs and wants your participation. The timing might be such that a discussion finally brings agreement. Tonight: Go with a quirky idea. **SAGITTARIUS** (Nov. 22-Dec. 21) ***** Obviously, you cannot control others, but you can let go of trying. Relationships will flourish in both the professional and personal realms of your life if you do. Everyone feels better with this give-and-take. Honor your feelings. Tonight: Be light and easy. **CAPRICORN** (Dec. 22-Jan. 19) ***** Emphasize completion rather than working on several different projects. A boss or superior lets you know how much he or she appreciates your efforts. You wonder if you have enough get-up-and-go to accomplish your goals. Remember, you are the goat, the one who climbs uphill. Tonight: Finally, relax. **AQUARIUS** (Jan. 20-Feb. 18) ***** Your sense of direction comes from an inner knowing that is difficult to explain. Creativity mixes with intellect, taking away the word "impossible." Don't delay acting on what is important. The time is now. Tonight: Get into the spirit of fun. **PISCES** (Feb. 19-March 20) ***** You are coming from a secure place and know what your priorities are. Communicating them to someone is another issue. A partner might be more receptive than in the past. Tonight: Happy at home.
