

Women's soccer using tough loss as motivation

By Alex Angert
COLLEGIAN STAFF WRITER

After scoring the game-winning goal in overtime Sunday, Ohio State's Paige Maxwell jumped up in the air and pumped her fist toward the sky.

WOMEN'S SOCCER

Mobbed by her teammates after ending the game, Maxwell and the rest of the Buckeyes formed a dog pile right in the middle of the field, right in front of the Nittany Lions' eyes.

For many of them, it was hard to watch. But it was also something they needed to see.

With the game ending as tough as it possibly could have for the Lions with a costly turnover in front of their own goal, the team is now hoping to use the Ohio State loss as motivation going forward.

"It's not the easiest thing to watch," senior Megan Monroig said. "We're just hoping we can harness that feeling of defeat and take it into practice this week."

Monroig compared the celebration during this weekend's game

to Penn State's season-opening win against West Virginia, when the Lions pulled out the golden goal overtime victory.

Knowing from experience on the other end and now knowing how tough it is to watch, the team is looking to put it all on the line this week in practice.

And while most teams would be deflated after letting a game slip out of its hands, Penn State is hoping Sunday's game has the opposite effect.

"I personally still have a really good feeling," Monroig said. "Yeah it sucks, we don't want to lose. But I really do think we, as a team, are going to take this and run with it."

The senior added the players realize things like Sunday's turnover can happen to anyone, and that positive mentality is what the team is hoping to use with two more road games coming up this weekend against Northwestern and Iowa.

Although the players would have much rather gotten the win over the weekend, they see some silver lining in the loss.

Sophomore Maddy Evans said

they might even be able to use the loss to their advantage.

"It's definitely a bump in the road," she said. "But [Sunday] was a good game for us to realize what we're able to do. Losing like that was one mistake. If we had put one of our chances away, the game could have easily gone in our favor."

"This game definitely isn't setting us back or anything. It's just going to make us more hungry for the next one."

As for coach Erica Walsh, she has faith that her team can rebound and not dwell on the loss, based on earlier results this season.

After ending nonconference play on a down note with a loss to Dartmouth, she witnessed her players regroup, give it their all in practice for the next two weeks and play at a higher level in the next two games.

Had it not been for one little miscue, the Lions could have easily been 2-0 in conference play or at least 1-0-1.

"This team has dealt with adversity very well and they've

responded very well over the last two weeks," Walsh said. "The game could have gone either way and I believe this conference will be won by a team with at least one

loss so we're very much in this race. We need our group to believe that right now."

HAPPY BIRTHDAY for Tuesday, Oct. 5, 2010:
This year, you are more optimistic and upbeat than in many years past. You will be making a major adjustment, but once you have accepted the change, you will kick back and enjoy your life. You will be looking at new ways of making money, but also new ways of spending it. Self-discipline might be more important than you realize. If you are single, you present quite a dashing or attractive figure. You don't need to maintain your status. You could become attached quickly. If you are attached, you become more dominant than in the past. The two of you could have a ball together. VIRGO understands you better than you think.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19)
*** Emphasize accomplishment and getting your to-do's done. A partner or loved one loves pitching in and helping. Whatever you are doing, the company is appreciated. Recognize another person's frustration level. Tonight: Easy works. TAURUS (April 20-May 20)
**** You seem to be bubbling with ideas. Even a setback won't last long, as you demonstrate your ingenuity in dealing with the situation. A key partner has a lot to share. Let him or her, and don't interfere. Tonight: Demonstrate how playful the Bull can be. GEMINI (May 21-June 20)
*** Stay centered and be aware of what your self-imposed limits are. You might not be as content as you could be when dealing with an associate or some-

one who plays a vital role in your daily life. Tonight: Head on home. CANCER (June 21-July 22)
**** Your ability to make a point could have a key loved one or friend backing off and feeling frustrated. It will take charm, creativity and your innate resourcefulness to mend this bridge. The good news is, you will. Tonight: Pursue a favorite hobby. LEO (July 23-Aug. 22)
**** Curb a need to be possessive and difficult. You understand what is happening with a child or loved one. Let this person express his or her needs. You don't necessarily have to go along with his or her program. Tonight: Enjoy your home and immediate family (even if it is just a cat). VIRGO (Aug. 23-Sept. 22)
**** You feel empowered, but not so much so that you can beat the odds with a risk. You could find this risk a problem, most likely. Make calls and catch up on key people's news. Someone might trigger some frustration or anger. Tonight: As you like, but not alone. LIBRA (Sept. 23-Oct. 22)
*** Sometimes the less said about a problem the better. A problem person in your immediate environment could succeed in upsetting you. Don't make an issue bigger than necessary. Tonight: Curb a tendency to overspend. SCORPIO (Oct. 23-Nov. 21)
**** You have a way of drawing many to you, especially today. You could make more of a change in plans than is intended. Still, holding in your feelings could be an issue. Make an effort to clear the air with a key friend. Tonight: Where people are. SAGITTARIUS (Nov. 22-Dec. 21)

*** A misunderstanding could be costly. Use good sense, and don't mix friendship and money. Focus on taking the lead, whether it is a get-together, a work-related issue or a brainstorming session. Tonight: Could go till the wee hours. CAPRICORN (Dec. 22-Jan. 19)
*** You could be out of sorts with someone who makes a difference in your life. You might wonder what you are doing with a certain situation. Detach, and do some needed reflecting. You could be surprised by what comes up. Tonight: Put on a favorite movie or TV show. AQUARIUS (Jan. 20-Feb. 18)
**** You could misread news that heads in from a distance. You might wonder how and why when dealing with a child or loved one who keeps tossing different ideas at you. Decide what you want, then proceed. Tonight: Invite a loved one out for dinner. PISCES (Feb. 19-March 20)
**** Listen to news from others. You might pick up another solution or a different perspective. Be willing to push beyond your immediate limits. You know what you want and where you are heading. Tonight: Go with another's suggestion.
