# HOROSCOPES

BROUGHT TO YOU BY

## Seniors: vote for the 2011 Senior Class Gift

Oct. 25-29th

www.SeniorClassGift.psu.edu

By Jacqueline Bigar

**HAPPY BIRTHDAY** for Monday, Oct. 25, 2010. This year you often will defer to a partner, associate or friend. You have a practical personality, but at the same time, getting others take the lead works. Let those close to you see that you have confidence in them. If you are single, you long to relate on a one-on-one level. Avoid making many commitments this year. You are irresistibly attractive, and this may attract others. If you are attached, the trust of your date is at stake. Give and take. Express your confidence in your sweetie. SCORPIO is a soil mate.

The Stars Show the Kind of Day You'll Have: 5 Dynamic, 4 Positive, 3 Average, 2 Nice, 1 Difficult

**ARIES** (March 21-April 19) \*\*\*\*\* Active communication marks your plans and activities. You might want to screen your calls. A discussion with a loved one needs to be had in a relaxed manner. Listen to different opinions before you decide which way to go. Tonight, catch up on phone calls.

**Taurus** (April 20-May 20) \*\*\*\*\* You might want to treat someone. Investigate what would work best and what you would like most. Get advice from different experts before making a decision. Be aware of how much you offer others. Tonight, beam in what you want.

**GEMINI** (May 21-June 20) \*\*\*\*\* Though not every conversation or event is easy, you feel energized and capable of achieving any goal. Your smile draws many people from various walks of life. Be open to new ideas.

Tonight, Don't allow a backward moment of two to pass you by.

**CANCER** (June 21-July 21) \*\*\*\*\* Understand that you will not get back some. Take your time to think through a problem. You may find a way to come up with an answer more quickly. Allow more creativity in your work life. Tonight, get parties of 8 or 9.

**LEO** (July 23-Aug. 22) \*\*\*\*\* Meetings could part of a more significant role than you normally thought. Someone could be quite reliable. This person might feel vulnerable. Most of you might want to spend some time handling key issues from home. Tonight, Don't hesitate to bias a new partner or item for yourself!

**VIRGO** (Aug. 23-Sept. 22) \*\*\*\*\* Others assume that you are serious, as you are often overly responsible. You might be asked to handle an important event or situation. Honor your instincts with someone who often can be controlling. Tonight, A visit appearance. **LIBRA** (Sept. 23-Oct. 22) \*\*\*\*\* You could be rather self-indulgent. I see care as a factor you might be asked to walk your talk. Remain calm and explore different options. If you think you need advice, surf the Net, but also consult an expert in the area that concerns you. Tonight, Let your imagination lead.

**SCORPIO** (Oct. 23-Nov. 21) \*\*\*\*\* You have a way about you that draws many. Others find your way of explaining your feelings very alluring and nonthreatening. Let an associate take the lead. Try to avoid any financial risks, for now. Tonight, Go with another's suggestion.

**SAGITTARIUS** (Nov. 22-Dec. 21) \*\*\*\*\* Listen to others' suggestions. If you can defer to others for the moment, there will be greater give-and-take ultimately. Allow someone you care to express his or her feelings. This person will air away. Tonight, No many choices exist if it is a Monday night.

**CAPRICORN** (Dec. 22-Jan. 19) \*\*\*\*\* Know that your reputation precedes you. Be the workhorse of the Zodiac. Know what is needed to change decisions. Though you could be uncomfortable with others in general, you relax with a key friend you trust. Let this person play devil's advocate if need be. Tonight, Squeeze in some exercise.

**AQUARIUS** (Jan. 20-Feb. 18) \*\*\*\*\* You might have a difficult time being serious. You see life with levity and humor. Others could be too serious for your taste. A discussion with a respected associate, friend or loved one gives you confidence. Tonight, Acting gives you still the weekend.

**PISCES** (Feb. 19-March 20) \*\*\*\*\* If you can stay home or do what you need to using a home office, all the better. News from a distance might be in your thoughts often, allowing you to feel inspired. Don't hesitate to reach out to others. Tonight, Make it calm.
