HAPPY BIRTHDAY for Wednesday, Oct. 27, 2010.
This year, you swing from being intensely personal to quite detached. Both avenues of self-expression are you. Just be in tune with your needs. You might want to travel, go back to school or explore an opportunity to expand your mind. Many of you will travel and/or draw a foreigner into your life. This experience also will open up your thinking. If you are single, be open to a very different type of person. After all, your present type hasn't worked so far! If you are attached, be willing to walk in your sweetie's shoes. Try to imagine what it is like being him or her. Accept rather than criticize. CANCER helps you see the other side.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19)
*** Keep conversations moving, though you could see a lot change quickly. Understanding evolves to a new level once you process a situation that makes you and others angry. Know when to keep your own counsel. Tonight: Head on home.

TAURUS (April 20-May 20)
*** Deal with your finances directly. You could find that someone wants to spend your money for you. Do you know how to say no? Start practicing. Boundaries are important. Understanding evolves late this afternoon. Though you might feel pressured, others respond. Tonight: Chat over munchies.

GEMINI (May 21-June 20)
*** You feel empowered and energized in the daytime. Get an early start, if possible. An idea you have been tinkering with might draw some interesting comments. Share this idea and allow others to express themselves freely. Tonight: Gather and pay your bills.

CANCER (June 21-July 22)
*** Seize the moment and do some much-needed reflecting, brainstorming and decision-making. Timing is such that by the end of the day, you will feel energized and ready to deal with whatever is needed. Tonight: The world is your oyster.

LEO (July 23-Aug. 22)
*** Zero in on what you want, and don't hold back in a meeting or a group discussion any longer. Someone you share with thinks his or her ideas are better. Though you might not be OK with each one of this person's brain children, a sounder interaction and better plan evolve. Tonight: Some much-needed private time.

VIRGO (Aug. 23-Sept. 22)
*** You might want to back off from a situation or change your direction. The problem lies in that you are a leader. Be careful how you move away from a commitment. Schedule a meeting for late this afternoon. Tonight: Where the crowds are.

LIBRA (Sept. 23-Oct. 22)
*** Keep reaching out for more information and facts. Be willing to adapt to a needed change that comes out of nowhere. Use care with spending. Pressure builds late in the day. You need to make an important appearance. Tonight: A must appearance.

SCORPIO (Oct. 23-Nov. 21)
*** Discussions need to be on an individual level. The unexpected pops in from out of left field. Don't take any unnecessary risks, as they could backfire. Late afternoon, detach and gain more insight. Attempt to walk in another's shoes. Tonight: Listen to great music.

SAGITTARIUS (Nov. 22-Dec. 21)
*** Others insist on dominating. Be smart, and don't fight city hall. Use care with a domestic matter that could turn quirky. Relax, the time will come to have a needed discussion. Your instincts guide you with a key person. Tonight: Dinner for two.

CAPRICORN (Dec. 22-Jan. 19)
*** Remain easygoing with those you deal with on a daily basis. You might want to redesign your schedule or become more independent. Postpone discussions until late afternoon. Your creativity surges. Be willing to try another approach. Tonight: Sort through offers.

AQUARIUS (Jan. 20-Feb. 18)
*** Your imagination sometimes is difficult to rein in. Try to use it to expand your knowledge. Play amateur psychologist, and try to walk in another's shoes. Revise your opinions, and clear out some judgments that don't work. Tonight: Run a couple of errands on the way home.

PISCES (Feb. 19-March 20)
*** Your instincts will guide you with a domestic or personal matter. Your reactions might surprise you. Visit with an intriguing individual late today. Encourage swapping ideas and opinions. Tonight: Let go and enjoy.
