HOROSCOPES

By Jacqueline Bigar

HAPPY BIRTHDAY for Thursday, Oct. 28, 2010
This year, reach into your imagination to find answers and solutions. A new perspective might be necessary and will come through detachment. Often you are your own worst critic. New beginnings become possible if you accept yourself. As a result, you will become a lot nicer to others. If you are single, you meet others with ease. Understand what you want from a relationship first, then decide if you have met the right person. If you are attached, be more sensitive to your sweetie. Try to understand more often where he or she is coming from. Detach and walk in his or her shoes. CANCER opens your mind to different ideas.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19) *** Handle a person directly. Soft words go far. You will note that a contentious quality from a partner or associate seems to fall away. A key associate seems to be more willing to make peace. New beginnings become possible. Tonight: Head on home.
TAURUS (April 20-May 20) ***** Keep asking questions and try to bottom-out an issue. A partner is more willing to discuss his or her feelings. Your instincts are right on target about an emotional issue. Let this person talk as much as he or she needs to. Tonight: Meet friends at a favorite place.
GEMINI (May 21-June 20) *** Curb a need to be possessive and have others agree with you. New beginnings become possible concerning your work. A child or new friend could be on

your case. Be careful with financial agreements. Tonight: Invite a friend to join you for dinner.
CANCER (June 21-July 22) ***** You bloom like you haven't in a long time. You have unusual energy and direction. Know what you need to do in order to allow greater creativity and flow. Your ingenuity melts into your intellect. Creating unusual solutions. Tonight: Whatever makes you happy.
LEO (July 23-Aug. 22) *** Keep your own counsel. Right now, moods and feelings run together. Nevertheless, your creativity flourishes. You will actively seek out solutions. A child or new friend suddenly could become demanding. Tonight: Take your time.
VIRGO (Aug. 23-Sept. 22) ***** Zero in on what you want while others seem disposed to go along with your requests. You have a nice way of expressing yourself. Your ideas are well received. Remember, your assets aren't just your finances but also your innate talents. Tonight: Where the action is.
LIBRA (Sept. 23-Oct. 22) *** Stay on top of your work, and understand what is critical to make your life work. What is necessary to not put too much pressure on others. You could be an overly serious taskmaster. Take time to buy a small token of affection. Tonight: Could be late.
SCORPIO (Oct. 23-Nov. 21) ***** You have a way of detaching and looking past the immediate issue. The less emotional you become, the more likely you are to get what you want. Be willing to drop the word "no" from your vocabulary. Tonight: Let your imagination rock and roll.

SAGITTARIUS (Nov. 22-Dec. 21) ***** With the planet of energy and animal magnetism, Mars, moving into your sign, you easily could be described as a pistol, with way too much energy. Zero in on what you need and feel works for you. Others will naturally defer to you. Tonight: Dinner for two.
CAPRICORN (Dec. 22-Jan. 19) ***** Others let you know who is in control (or at least who they think is in control). The smart Goat will defer to the prevailing forces, not choosing to correct them. Take charge of a professional matter that could slide to the wayside. Tonight: A Must appearance.
AQUARIUS (Jan. 20-Feb. 18) ***** Stay level and direct when dealing with those in your work environment. Your caring ways make a big difference to an older relative or friend. You have a fiery spirit that is difficult to deny. Tonight: Chill and relax in a preferred manner.
PISCES (Feb. 19-March 20) ***** Your creative mounts, and others respond to your ideas. Although, someone might think that you need to detach to really gain a total perspective. Someone you respect or have to answer to could be unusually demanding. Tonight: Let your hair down.
