**HAPPY BIRTHDAY** for Monday, Nov. 1, 2010. This year, you will get what you want. The key to your success will be a strong group of supporters who help you back up when you are down. You have unusual allure and magnetism. If you are single, you will have to work to maintain this status. So many admirers! If you are attached, your sweetie finds you unusually appealing and often goes along with your way of thinking. Honor his or her needs, and don't trample on his or her feelings. VIRGO remains a loyal friend.

The Stars Show the Kind of Day You'll Have: 5-Dynamic, 4-Positive, 3-Average, 2-Sorrow, 1-Difficult.

**ARIES** (March 21-April 19) \*\*\*\*\* Sometimes, tossing yourself into a project is nothing less than pure pleasure. Such is the case today. You efficiently integrate startling new concepts and an overload of new information. Processing everything that is tossed on your plate is never easy, but you do it magnificently. Tonight, now, off for some fun!

**TARUS** (April 20-May 20) \*\*\*\*\* Dealing with a partner or a sequence of associates will take dipping into your storeroom of interpersonal relating techniques. Not everyone is easygoing, nor would you want them to be. You admire fire and conviction. Tonight, so what if it's Monday night?

**GEMINI** (May 21-June 20) \*\*\*\*\* Getting yourself untangled from a difficult situation could take a lot. Some of you might simply decide to wage verbal warfare. The immediate results might be effective, but what are the damages? Tonight, screen your calls.

Take some much-needed personal time. **CANCER** (June 21-July 22) \*\*\*\*\* How you deal with another person and the decisions you make could be colored by a personal matter. You want active communication. This you might start a fight or a very animated discussion. Consider taking a class in communicating instead. Tonight, flow with the moment.

**LEO** (July 23-Aug. 22) \*\*\*\*\* Where others fuss and do all they can to maintain or trim their budget, you tap into your ingenuity. Others will be thrilled by the event better idea that pops out of creative brainstorming. Honor your financial needs. Tonight, Acting as if it is still the weekend.

**VIRGO** (Aug. 23-Sept. 22) \*\*\*\*\* You can be overly concerned about details, losing sight of the concept you are working with. It is part of the liability of Virgo's penchant for details. Today, you could choose to do both simultaneously. Why not give it a shot? Tonight, whatever makes you smile.

**LIBRA** (Sept. 23-Oct. 22) \*\*\*\*\* You feel an uneasiness that might be difficult to identify. You are unlikely to say anything as you attempt to work through certain issues. The wise Libra will go within and identify the problem before taking any action. Tonight, you might want to chat with a dear friend.

**SCORPIO** (Oct. 23-Nov. 21) \*\*\*\*\* Zero in on what you feel is significant in a meeting. Perhaps shifting others to your type of thinking could be a powerful tool. Others might express much more of what they are thinking when they can walk in your shoes. Tonight, a meeting could evolve into a happying.

**SAGITTARIUS** (Nov. 22-Dec. 21) \*\*\*\*\* You are proud of your leadership abilities. When you take a stand, many respond. This often could be very challenging - not so much in disagreement, but challenging your commitment. Good will start to flow back and forth. Tonight, in the highlight.

**CAPRICORN** (Dec. 22-Jan. 19) \*\*\*\*\* Walk away from conventional thinking. At the same time, dump restrictions you place on your thought process. You want to open up all doors. A friend might be very powerful. Identify the main of your pre-occupied and restless thoughts. Tonight, go where you can relax.

**AQUARIUS** (Jan. 20-Feb. 18) \*\*\*\*\* Your value friendship but what happens when a loved one becomes demanding? Your commitment is tested. For some of you, this situation could be intolerable. Relax and think of this person as a friend in need. Suddenly, relating becomes easier. Tonight, a close encounter.

**PISCES** (Feb. 19-March 20) \*\*\*\*\* You have some very strong ideas that often isolate you from others. Right now, let boundaries melt as you walk with others through their fields of life. You will gain a new respect and understanding for the people you do this exercise with. Tonight, Go with another person's plans.

**BORN TODAY** Novelist Stephen Crane (1871), TV personality Jenny McCarthy (1972), singer Lyle Lovett (1957).
