By Jacqueline Bigar

**AQUARIUS** (Jan. 20-Feb. 18) \*\*\*\*\* Don't lose your composure and keep your emotions in check. You're a considerate and caring friend to all of the bases. Prioritize and you will accomplish what is important. Tonight the stars indicate the more you focus on **CAPRICORN** (Dec. 22-Jan. 20) \*\*\*\*\* Understanding, all efforts in you relax and don't become defensive. On some level, you feel as if you always need to be in charge. Let go of self-imposed demands and relax. Someone who is a bit offbeat helps you identify with different ideas. Tonight, when your mind can roam.

**AQUARIUS** (Jan. 20-Feb. 18) \*\*\*\*\* A partner might be a little too demanding, but you also might decide to accept his or her terms. Understanding about this specific bond becomes much clearer as a result of the present give-and-take. Tonight, Dinner and a chat. **PISCES** (Feb. 19-March 20) \*\*\*\*\* Realize that others might be more tested in a project than you are. As a result, you could find yourself in a power struggle. Ask yourself if it is really worth it. Let the key people in your life have it their way. They need to understand the ramifications of their decisions. Tonight, A voice to be dealt with.

**BORN TODAY** Political commentator Pat Buchanan (R-S) is buried at age 86. 11/2/10 11th U.S. President James K. Polk (1795-1845) is buried at age 65.

**ARIES** (March 21-April 19) \*\*\*\*\* One to watch out for concerning the fall portion of the year. You said "I'll see you more often" and possibly they "see" you. Don't fall for an old adage, "as long as you're in love, you could have a springing rabbit tonight. Put your feet up."

**AURUS** (April 20-May 20) \*\*\*\*\* Your ability to draw in many different perspectives emerges. A partner or associate could be testing your abilities without even knowing it. You have what it takes, though you might feel like you need to take a class in "negotiation" tonight. Do only what you love. **GEMINI** (May 21-June 20) \*\*\*\*\* Stay close to home. Everyone needs a timeout once in a while. Why would you be any different? A boss or

**CANCER** (June 21-July 22) \*\*\*\*\* Keep your imagination on the loose. You'll start seeing the possibilities of a very positive future. Communicate at your own pace, but don't let things slide. 11/2/10 11th U.S. President James K. Polk (1795-1845) is buried at age 65.

**LEO** (July 23-Aug. 22) \*\*\*\*\* Emotions, extremes, passionate decisions. Whatever is going on, people are "in" for tonight in their emotions. Know your limits while still enjoying the rich tones of the "night" tonight. A late evening discussion could be the highlight.

**VIRGO** (Aug. 23-Sept. 22) \*\*\*\*\* Communication, flourishes, and good advice are very good about key individuals in your life. Your ability to reach might be tested. Of course, you're a professional, fine, good, times 100, and strong feelings punctuate your interactions. Tonight, the bills first. **LIBRA** (Sept. 23-Oct. 22) \*\*\*\*\* A person you might not be able to convince others of the rightness of your cause. Perhaps you might want to "ask" again and see how very judgmental you are. Learning to respect and honor others' ideas could be instrumental tonight. Nap, then decide.

**SCORPIO** (Oct. 23-Nov. 21) \*\*\*\*\* Your interests generally don't coincide with those of others, yet you find that your friends and/or associates are all on the same page. Your creativity surges in this craftive environment tonight. Let it all hang out.

**SAGITTARIUS** (Nov. 22-Dec. 21) \*\*\*\*\* Don't lose your composure and keep your emotions in check. You're a considerate and caring friend to all of the bases.
