

The **BOLD** and the *Beautiful*

Jeff Maloney (sophomore-scenic design) made a bold statement with his outfit last Friday.

Maloney dressed warm to brave the cold weather without sacrificing his style in the process.

He was seen rocking out a black Urban Outfitters' leather jacket — something every guy should have in his closet if he ever wants to make a fashionable statement.

Leather jackets can give any guy some major style points, and it goes with anything you wear and keeps you warm.

The thermal maroon shirt from Gap was the best choice for anyone walking around in cold weather and was a great autumnal color choice.

His gray Urban Outfitters hat and Levi's jeans also were also great choice for what to wear to keep warm as the weather turns colder.

Maloney's black sneakers from Kohl's added to his warm and comfortable look for the chilly day of classes.

Combined with everything else he was wearing, you could tell he was prepared for the chilly day.
