The screening of the film will take place between 6 - 7:30. At 7:30, students will showcase their own video pitches of sustainable solutions for indigenous communities. Winners will be announced at the conclusion of the event. Check out [www.mtrsolutions.weebly.com](http://www.mtrsolutions.weebly.com) for more information!

Nov. 18 9 AM - 7 PM HUB Alumni Hall

We won last year by 213 units, bringing us to 2,127 to 1,914. The score now stands at PSU - 11, MSU - 5. The Challenge runs from Nov. 1 through Nov. 18, 2010, across the Residence Halls, Hritz Alumni Center, Pasquerilla Spiritual Center, Kunkle Lounge, and of course, the HUB. In 2009, this competition provided both the Greater Alleghenies Region and the Great Lakes Region of the American Red Cross with 4,041 units of blood. The units of blood collected throughout the Challenge are needed to increase the blood inventories in both regions before the Thanksgiving and Christmas holidays. All blood drives have pizza at the canteen and all presenting donors will receive a Challenge t-shirt!! The donor appreciation raffle for all presenting donors includes LionCash and merchandise and gift certificates from area businesses.
