

Steelers top Bills with field goal in OT

By John Wawrow
ASSOCIATED PRESS

ORCHARD PARK, N.Y. — Buffalo's Stevie Johnson sat with his head down at the end of the bench as Shaun Suisham hit a 41-yard field goal with 2:14 left in overtime to secure the NFL Pittsburgh Steelers' 19-16 victory over the Bills on Sunday.

The wide receiver was upset because he could've ended the game in the Bills' favor on the previous possession by dropping what would have been a 40-yard touchdown pass from Ryan Fitzpatrick.

"I had the game in my hands and I dropped it," Johnson said. "I'm humbled."

In a game the Bills (2-9) proved they're not all that bad, the Steelers (8-3) showed why they're better.

Suisham hit all four of his field-goal attempts, including a 48-yarder. His decisive kick capped a 13-play, 58-yard drive which Ben Roethlisberger kept alive by hitting Mike Wallace for a 17-yard catch to convert third-and-8.

Rashard Mendenhall had 151 yards rushing and scored on a 1-yard plunge in helping Pittsburgh prepare for an AFC North first-place showdown at Baltimore next weekend. Hines Ward had seven

catches for 107 yards, and Roethlisberger finished 20 of 33 for 246 yards.

Buffalo proved feisty in facing one of the NFL's elite teams by overcoming a 13-point first-half deficit and forcing overtime with 2 seconds left in regulation when Rian Lindell hit a 49-yard field goal. Fred Jackson had five catches for 105 yards, including a 65-yard touchdown, and added 59 yards rushing.

The Bills had a two-game win streak snapped. Each of their past four losses have been by 3 points, including two in overtime, after they lost 37-34 at Baltimore on Oct. 24, and 13-10 at Kansas City the following week.

The Bills were also coming off a 49-31 win at Cincinnati, in which they overcame a 21-point first-half deficit.

The wild finish against the Steelers was nothing compared to how lopsided the game was after the first 30 minutes.

The Steelers dominated the entire first half in which they had edge in score, 13-0, time of possession (23 minutes, 55 seconds to 6:05), first downs (18-4) and yards offense (225-51).

The Bills took the Steelers' best shot and then punched back to make a game of it in the second half.

The game's complexion changed late in the third quarter

and with the Steelers up 13-0. That's when Pittsburgh linebacker James Harrison broke in untouched and, with his head lowered, struck Fitzpatrick just beneath the chin just as the quarterback got off a pass.

Harrison was penalized 15 yards for roughing the passer — and faces another potential fine from the NFL for leading with his

helmet. Though knocked a little woozy, Fitzpatrick responded by hitting Jackson for his 65-yard touchdown catch and run.

The score gave the Bills life, as they eventually tied it at 13 when Lindell hit two field goals 2:07 apart — the second set up after Buffalo safety Jairus Byrd stopped Mendenhall of the ball at the Steelers 23. Ahead 16-13, The

Steelers got a big defensive play from Tava Polamalu, who made a diving interception at the goal line after Fitzpatrick's pass bounced off Johnson's fingertips with 2:51 left in regulation.

The Bills got the ball back with 46 seconds left, and at the Steelers 46 after Keyaron Fox was penalized 15 yards for a late hit on the ensuing punt.

HOROSCOPES

By Jacqueline Bigar

HAPPY BIRTHDAY for Monday, Nov. 29, 2010

This year, just when you decide your life is working, someone or some situation pops up from out of nowhere. The unpredictable occurs in your domestic life, while opportunities pour in left and right. Choosing your battles and honoring what is a priority could be important. Your career or community image could become very important. If you are single, steer away from someone who appears to be emotionally unavailable. Come spring, you will have a series of choices. If you are attached, the two of you will act like new lovers. You might decide to finally take that special trip. VIRGO pushes you into the limelight.

The Stars Show the Kind of Day You'll Have: 5-Dynamic, 4-Positive, 3-Average, 2-No-se, 1-Difficult

ARIES (March 21-April 19)
*** You could be too daring to go, and, as a result, someone misreads your enthusiasm as a need or as complicity. Let others know that there are always alternatives. Understand that a friend means well but has distorted information. Tonight, Take a break. Relax. Put your feet up.

TAURUS (April 20-May 20)
***** So much could be happening and so quickly at that, you might not want to follow through on your initial plans. Make that OK. Someone who cares a lot starts showing his or her feelings. Juggling friends, plans and different needs challenges you. Tonight, Let go of worries. Be more childlike.

GEMINI (May 21-June 20)
*** Anchor in and worry less about pressure. More than likely, community

commitments will work themselves out. Allow spontaneity and unpredictability.

You feel nudged in more divergent directions. Tonight, Happy at home.

CANCER (June 21-July 22)
*** Keep expressing your various ideas. Others might not seem to be listening, but somehow your words sink in. A child or loved one could be extremely difficult. Try to avoid a battle, if possible.

Tonight, Catch up on a job's mess.

LEO (July 23-Aug. 22)
*** Sensitivity and a willingness to move through a situation can and will make all the difference. Others won't be as supportive as you might like. They all seem to have a lot of stuff going on.

Tonight, Treat yourself to a favorite meal.

VIRGO (Aug. 23-Sept. 22)
***** Listen to your instincts with another person. This associate, friend or loved one could be offering you something you don't want to say "no" to. Bide your time and see what develops. Above all, be gracious. Tonight, Visit with a pal over the phone.

LIBRA (Sept. 23-Oct. 22)
*** Watch a tendency to go to extremes, whether it is spending, overeating or taking unnecessary risks. The results could be hard to deal with in the long run. Curb a tendency to be careless or distracted. Tonight, Take some personal time.

SCORPIO (Oct. 23-Nov. 21)
***** Emphasize what is important to you. A meeting could prove to be instrumental. Approach this matter with gentleness and sensitivity. Your awareness of what to do and your priorities might be tough to communicate. Honor your bottom lines. Tonight, Where your friends are.

SAGITTARIUS (Nov. 22-Dec. 21)
*** Take charge of a situation rather than let it get too far out of control. Your feelings could be hurt easily, and perhaps the trigger was not directed at you. A boss could be difficult as well. Tonight, Count on it being late.

CAPRICORN (Dec. 22-Jan. 19)
***** Explore your options rather than negate them, which could happen if you don't think about your responses. Conversations are lively, someone has unexpected news. The question is whether it is gossip or fact. Tonight, Don't rush the day. Later, you will gain another perspective.

AQUARIUS (Jan. 20-Feb. 18)
***** Relate with others on a one-on-one level. It might mean more time, but it will be more worthwhile ultimately. A boss, parent or higher up could push you. Avoid could easily bubble up from out of nowhere. Tonight, Make time for a special friend or loved one.

PISCES (Feb. 19-March 20)
*** The unexpected occurs way too easily, adding an unneeded stress to your already complicated day. Reach out for someone at a distance who you care about. Another perspective will help you relax. Tonight, At a certain point, you might need to separate what you do from who you are.
