

The **BOLD** and the *Beautiful*

By Joshua Glossner
COLLEGIAN STAFF WRITER

To round out this semester's collection of bold and beautiful fashionistas, we have this cute little number worn by Melanie Stiekman (junior-public relations).

Her H&M headband was the first thing that caught my eye, reminding me of something Taylor Swift would wear. The autumn-colored beaded headband complimented her multi-colored scarf, also from H&M.

Normally, I'm not a fan of Uggs boots, but this pair worked well with the outfit, because the fur on the outside of the boots matched the color of her cream Old Navy shirt. Plus, the fur made them cooler than the plain, regular design of Uggs.

The Star of David necklace Stiekman wore is a family heirloom with a special story behind it. Stiekman said her great-grandfather wore this necklace during the Holocaust, and it has since been passed through the family. Family heirlooms can make outfits that much more fashionable, because no one will have the same item as you, making it unique.

To make this look party-ready, instead of wearing a pair of jeans and a shirt, you could wear a cute knit dress with the headband to give the Taylor Swift vibe I mentioned — though it may be too cold for that right now. Or you can wear the jeans and shirt with a matching jacket and heels to hit the town.
