Fugen Neziroglu
Psychology

Dr. Fugen Neziroglu is a Hofstra graduate and a professor of psychology. As director of the renowned Bio Behavioral Institute, she includes Hofstra student interns and graduates on her staff. She works with clients who suffer with OCD-type disorders such as hoarding, body dysmorphic disorder, eating disorders and cutting.

A graduate degree gives you a real advantage – in a competitive marketplace and in your chosen career – by providing you with the tools to advance in your field and shape your future. Hofstra's programs in education, health and human services, business, communication, and the arts and sciences prepare our students for professional careers and are highly ranked in publications such as The Princeton Review and U.S. News & World Report, among others. Here, you'll find your edge and succeed in whatever field you choose. Top-ranked programs. Renowned faculty and small classes. A worldwide network. Get ready to succeed.
