

INDIANA WILL CELEBRATE HALLOWE'EN WITH PARADE FIREWORKS AND MUSIC

With a parade, fireworks and music, furnished by five bands, Indiana will have a gala Halloween celebration Monday evening November 1, starting at 8 o'clock and ending when everybody is tired. The arrangements were practically completed at a general meeting of the committees held in the Municipal building last evening, when invitations were ordered sent to all the surrounding towns to assist in making the celebration second to none in this section of the state.

The meeting was a most enthusiastic one and was presided over by Squire James A. Crossman who is also chairman of the finance committee. Already there has been one anonymous contribution of five dollars; the Chamber of Commerce has donated \$50 and with the completing of the committee's work tomorrow there will be plenty of money in sight to warrant the success of the celebration.

The Indiana Military band will lead the mummer's procession and the musical organizations from Graceton, Lucerne, Ernest and Carnetown will be invited to participate. It is not doubted but that the music men from these four towns will be on hand to do their share. The invitation committee, under the direction of Ross Sutton, sent invitations broadcast to nearby towns to send delegations to Indiana on the big night and compete for the prizes.
