The Aim of the Foreign Language Papers of America

TO HELP PRESERVE THE IDEALS AND SACRED TRADITIONS OF THIS, OUR ADOPTED COUNTRY, THE UNITED STATES OF AMERICA; TO REVEAL ITS LAWS AND INSPIRE OTHERS TO OBEY THEM; TO STRIVE UNCEASINGLY TO QUICKEN THE PUBLIC'S SENSE OF CIVIC DUTY; IN ALL WAYS TO AID IN MAKING THIS COUNTRY GREATER AND BETTER THAN WE FOUND IT.

Hard on the Proofreader.

Getting typographical errors out of dictionaries is a task beside which that little Augean stable affair of Hercules was an afternoon snap.

When the Oxford edition of the Bible was published the proofs were read and reread ten times. Then a reward of \$250 was offered to any one who should find a typographical blunder.

One was found in the first chapter of Genesis. Dictionary proofreading is even more difficult than Bible proofreading.

There is a tradition that a man who read proofs of the Lord's Prayer for that Oxford edition went insane out of fear lest he made a blunder in it.—Philadelphia Ledger.
