VOTE YOUR OWN CONVICTIONS

If you regard the congressional office as important from the standpoint of service, and do not believe in using it as a boquet to be handed around by a few politicians, vote for W. O. Smith. If you resent corporation control and machine domination, and believe the popular primary should be used as an instrument to ascertain the will of the individual voter, cast your ballot for a man who typifies clean politics and stands for the sovereignty of the people. W. O. Smith will represent YOU. Register your own opinion. Vote for YOUR interest, not somebody else's.

Talking Machines.
As nearly as can be determined the original talking machine—the real precursor of the phonograph—was the so called "phonautograph," invented by Leon Scott in 1857. But the first real reproduction of sound was achieved by Thomas A. Edison in 1876. He may, with perfect justice, be called the "father of the talking machine."—New York American.
