**Wounds of the Heart.**  
In wounds of the heart itself the escape of blood is never in large quantity, and the lethal consequences are due to the fact that the escape of blood from within its cavity of cavities into the surrounding sac of the pericardium mechanically interrupts the alternate contraction and expansion by which its pumping action is maintained. Accordingly the results of the wound of the heart are usually identical with those of gradual suffocation. — Exchange.

**An Inspiration.**  
Lionel was at a matinee with his father, and when a trapeze acrobat failed to catch the object at which he flew through the air and fell sprawling into the net the boy was greatly excited. "They are never hurt," explained his father. "It is a regular trick to make such a miss once or twice to give the audience an idea of the difficulty of the feat and thereby intensify the applause when it has been successfully performed." Lionel thought a moment and then, with a bright smile, said: "Papa, do you think I could make a bit with my teacher by following this circus stunt and missing my lessons once in awhile?" — Puck.

**The Spanish Moors.**  
When the people of the rest of Europe were little better than barbarians the Spanish Moors were in the midst of a splendid culture. As early as the tenth century this country was the source of learning for all Europe. Their libraries, schools, arts, sciences, luxurious refinements and all round material and intellectual advancement differentiated them from the rest of Europe as clearly as ancient Greece was from the peoples that surrounded it.

"Too many people," said a clergyman, "regard their religion as did the little boy in the jam closet. His mother pounced on him suddenly. He stood on tiptoe, laddling jam with both hands from the jam pot to his mouth. "Oh, Jacky!" his mother cried. "And only last night you prayed to be made a saint!"

"His face, an expressionless mask of jam, turned toward her.

"Yes, but not till after I'm dead," he explained."

Pittsburgh, Pa.—[Special.]—Preparations are being made here to transform Forbes Field, home grounds of the Pittsburgh "Pirates," into a big outdoor opera house, for the outdoor performance of Richard Wagner's "Siegfried," which a Metropolitan Opera House cast and orchestra will present, Thursday evening, June 8.

Upon the stage a group of the most noted Wagnerian singers in the world

**EDUCATION.**  
Send all your energies to acquire an education. Nobody ever drifted into an education. Conscious effort to direct one's reading and thinking into the best channels is an absolute requisite. Choice must be made of books, of friends and of pleasures. One cannot read trash and think literature. — Amos R. Wells.

**Never Self Applied.**  
"Father," said the small boy, "what's a state of righteous indignation?" "A state of righteous indignation, my son, is the frame of mind into which you drift because of some other person's shortcomings." — Washington Star.

**Enthusiasm.**  
Enthusiasm either makes money or costs money. Take your choice. — Atchison Globe.

**Rescuing Napoleon by Submarine.**  
In his book on submarines Frederick A. Talbot tells us that the submarine is "practically as old as the sailing ship," though he passes the fact over with the statement that the majority of these efforts were fantastic in conception and crude in design.

The most daring expedition ever suggested in the early days of the submarine was that proposed for kidnaping Napoleon from St. Helena. It was suggested to a British mariner, Captain Johnson, who was to get £40,000. The construction of the boat was begun, but on the day when the work on the outer shell of copper was to be started Napoleon died.

Time.

Doest thou love life? Then do not squander time, for that is the stuff life is made of. — Benjamin Franklin.

**The Very Good Man.**  
"He's forever prating about what his conscience tells him. What does his conscience tell him, anyway?" "It usually tells him apparently what awful sinners his neighbors are." — Philadelphia Press.

**Overdid His Plea.**  
"Yes, sir," said the tramp, "I've made a lot of money in my time. The trouble was that I didn't know enough to hang on to it. Could you let me have a dollar?" "No, my friend," replied the stranger, "I couldn't after the lesson you've just taught me to hang on to mine." — Detroit Free Press.

**CHEERFULNESS.**  
Cheerfulness means a contented spirit; it means a pure heart; it means a loving disposition; it means humility and charity; it means a generous appreciation of others and a modest opinion of self. — Thackeray.
