Local Funeral Directors Purchase a Fine New Automobile Hearse

The H. H. Steving Company, Main street funeral directors, have put into service a motor driven funeral car that is declared to be one of the handsomest made. It was secured through the W. S. Anderson of Pittsburgh, and made by the Rock Falls Manufacturing Co., in Sterling Ill. It has a special chassis 145 inches long. It is beautifully finished in Pearl Gray, with solid silver mount-

ings. The large ornamental lamps at the sides are of solid silver. The car has a symmetry of line and a distinction of appearance which be-speaks the fact that in its construction expense was the least object. The draperies within the car are of a beautiful Pearl Gray.

The purchase of this type car by The H. H. Steving Company is a further indication of the progressiveness of the local establishment.
