The Aim of the Foreign Language Papers of America

TO HELP PRESERVE THE IDEALS AND SACRED TRADITIONS OF THIS, OUR ADOPTED COUNTRY, THE UNITED STATES OF AMERICA; TO REVERE ITS LAWS AND INSPIRE OTHERS TO OBEY THEM; TO STRIVE UNCEASINGLY TO QUICKEN THE PUBLIC'S SENSE OF CIVIC DUTY; IN ALL WAYS TO AID IN MAKING THIS COUNTRY GREAT AND BETTER THAN WE FOUND IT.

Michael Conway, of Phoenixville, who felt a buzzing sensation and suffered considerable pain, had twelve insects of the species of diptera removed from his ears at the local hospital—the work, it is believed, of a blow fly while he was taking an afternoon nap under some trees.

When burlap ignited, which he had wrapped about his legs to protect his trousers from fire, while burning brush, Peter Kepple, eighty-six years old, was burned to death. Kepple and another farmer were burning brush on the Mt. Odin farm, about one mile from Greensburg.

The survivors of the One Hundred and Ninety-eighth Regiment, Pennsylvania Volunteers, at their meeting in Reading, elected Major Powell Stackhouse president; Rev. W. A. Shoemaker, Mt. Carmel, vice president; Jacob Frockler, Johnstown, treasurer, and Isaiah Westerley, Reading, secretary.

The Pennsylvania State society, at Harrisburg, composed of heads of departments of the state government, decided to have a memorial service for the late Samuel W. Pennypacker at the capitol at a date to be arranged later. State Librarian Montgomery, Commissioner of Health Dixon and Spencer C. Gilbert, chairman of the

capitol park extension commission, were appointed a committee to make arrangements.

Unable to fill the places of the eight tire cutters who were discharged when they asked for more wages, the plant of the Lee Tire & Rubber company, Norristown, is practically shut down.
