MILNWOOD ACADEMY.
THE present session of this Institution will close Wednesday October 3d. The exhibition will take place in the evening. The examination the week previous. These exercises the public generally are invited to attend. The next session will commence the last Wednesday of October. The institution is located at Shade Gap; a quiet and retired place, free from all temptation to vice, idleness or dissipation. The location is a healthy one, being situated among the mountains. It is entirely free from the nuisances so common along our rivers, and so destructive to health.
The course of instruction is such as has been found by experience most suitable for expanding and developing the powers of the mind. The student is early taught to rely upon himself, to think, to reason, and to investigate the different subjects which are brought him. The government is strict but mild, only requiring what is for the student's highest good. Around him is thrown, as far as possible, the restraints and comforts of a well regulated Christian home.
Shade Gap, is situated 17 miles from the Mount Union station on the Pennsylvania Rail Road, from which place there will be a daily line of stages.
TERMS—\$50 per session of five months, this includes tuition, room-rent and board. Washing, light and fuel, extra. For further particulars address

GENTLEMEN—We take much pleasure in recommending our Salamander Safes to merchants and others in want of a secure means of preserving their books, papers, &c. from fire, as the one we purchased from you about seven months since has preserved our books, papers and cash in as good a condition as they were when put into it, before the great fire of this morning, which destroyed the entire block of buildings corner of Chestnut and Fifth streets. The above safe was in use in our office, on the second floor of our building, from which place it fell into the cellar, and remained there until the fire was out. The safe was then removed and opened in the presence of at least one thousand persons, who witnessed the good condition of the contents.—Will you please have the safe and locks repaired, as we intend to put it in use again, having perfect confidence in its fire proof qualities.
Yours, Respectfully,
