IMPROVEMENTS.—Several dwellings are now going up, and the "ancient borough" is swarming with strangers, mostly mechanics—and all employed at good wages.

Several ladies and gentlemen have lately had their appearances wonderfully improved by Drs. MILLER & FRAZIER. They are 'tip-top' Dentists. Give them a call—there is no necessity for 'gumming-it'.

The "Bantam" card press in the Globe Job Office is turning out some beautiful specimens of card printing. Send in your orders.

BROAD TOP.—The quantity of coal arriving from Broad Top increases daily. The demand cannot be supplied for want of miners. Five hundred are wanted at the mines immediately.

THE EXCHANGE HOTEL.—Col. GRAFIUS MILLER has retired, and Col. ANDREW JOHNSTON has taken possession of this Hotel. We hear from gentlemen stopping at the Exchange, that the accommodations are equal to the best to be met with at any of the first class Hotels out of the cities.

THE BLACK BEAR HOTEL.—The card of HENRY McMONTEGILL will be found in another column. Travelers and the public generally can find good accommodations at this house. A good stock of horses and carriages are also kept on hand for the accommodation of the pleasure and business going public.

RECOVERING.—Uriah Lewis, whose leg was broken on the cars at Saxton, is rapidly recovering, under the skillful attendance of Drs. Dorsey and Griffith. In a few weeks he will be able to resume his position on the railroad.

COURT WEEK.—Next week is court week, which will afford many of our country friends the opportunity of calling at our office, subscribing for the "Globe" and planking down the legal tender therefor. How many will do it? Don't poke your answers in at the key-hole.

ANOTHER ACCIDENT.—A few days ago Mr Henry Decker, of this place, braked on the Hunt & Broad Top railroad, by some means lost his balance and was precipitated from the cars down an embankment 20 or 30 feet, inflicting several severe wounds upon his head, arms and body. He is doing as well as can be expected.

The Broad Top train dushere on Monday morning did not arrive until in the evening, in consequence of a large slide of earth and rocks blocking up the road on section 17. All the force that could be procured was engaged and the road promptly cleared.

Mr. O. C. B. Carter has been detained in Hollidaysburg much longer than he expected. He will, without fail, however, have his fine assortment of Pianos open for inspection on Wednesday. We would advise those who wish an Instrument of beautiful finish, and unrivaled tone to call upon him at his Exhibition Room next door to Mr. HARTLEY'S Store.

THE CANAL.—The water has been let into the canal, and boats have already commenced running.

The Ladies Fair will be held in the Town Hall during the whole of next week.

Reported for the Globe.

An Important Meeting. In pursuance of notice given in the American of the 26th ultimo, the newly elected officers of the borough met on the morning following the election.

Bernard Kelly occupied the chair in the absence of the chairman. Says he, Fellow citizens and gentlemen: We may be after having reason to rejoice at the election which terminated so favorably to our prospects. I trust yeas may spake yer minds fraley.

Mike Von Tulser. Mr. President, I was very glad that the beeples cumst up to the polls and wotes our dicket. I goes minself the morrow to py den parls of sour kroust and gives to the man wat puts the beces in de Amerikon about us—two dundering pig gabbageheads.

Daniel O' Rogan.—Mister Kelly, an' I be after layin' a quart that there's not a better man this side Killary than yerself, and true as prachin', its myself that yeas been afther a pulitin' in to superconduct yer roads, and yer highways, and shure as yeas a livin' man its me that knows how to use the shivel and pick.

[We are reluctantly compelled to defer the balance of the proceedings of this meeting until next week.]

SHADE GAP, April 3, 1856.

Mr. EDITOR.—It has been my privilege to be present at the examination of Greenwood Female Seminary, under the care of the Rev. J. Campbell, Principal, held in this place on the 28th of March last.

The parents and others who were present on the occasion returned home highly pleased with the exercises of the day.

EVERY READER will please notice the advertisement descriptive of Mr. SEARS' PICTORIAL FAMILY BIBLE, and send for the Pictorial Catalogue of all our Illustrated Works.

TO THE UNINITIATED in the great art of selling Books, we would say that we present a scheme for money making which is far better than all the gold mines of California and Australia.

ANY person wishing to embark in the enterprise, will risk little by sending to the Publisher \$25, for which he will receive sample copies of the various works, (at wholesale prices) carefully boxed, insured, and directed, affording a very liberal per centage to the Agent for his trouble.

BEAUTIFUL ANNOUNCEMENT OF SPRING.—The following beautiful announcement of Spring, clipped from a very old book, which cannot be too often read, is very appropriate to the season now opening upon us:

Lo, the winter is past; the rain is over and gone; the flowers appear on the earth, the time of the singing of birds is come, and the turtle is heard in the land; the fig tree putteth forth her green figs, and the vines with the tender grape give a good smell.

REMOVAL.—The mammoth Clothing establishment of MOSES STRAUS has been removed to Dorris' building, lately occupied by Peter Swoope as a Boot & Shoe store. Huntingdon, April 9, 1856.

"Let The Union Slide."

We copy the following from the Cincinnati Enquirer. The Lieutenant Governor Ford spoken of by the Enquirer is the same patriotic gentleman who officiated for a time as the chairman of the Philadelphia know-nothing convention.

"While we would rather see Kansas and Nebraska admitted into the Union as free States, yet no action of theirs will cause true patriots to put in jeopardy this Union, which is of more consequence that the whole colored population of the world. These repeated declarations of the chief of the black republicans are useful as showing to the people the true character of that organization."

Another Steamboat Accident.

We learn from the Cincinnati Commercial of the 29 ult., that on Thursday morning, last, as the new stern wheel steamer Metropolis, bound from Pittsburgh to New Orleans, was passing West Columbia, a few miles below Pomeroy, Ohio, her starboard boiler burst, tearing away the floor of the hall right above, instantly killing three persons, and scalding five others so severely as to cause their death in a few hours.

LOCK HAYEN AND TYRONE RAILROAD.—The last meeting of the stockholders of the Lock Haven and Tyrone Railroad has given a great impetus to this important enterprise, and we trust the energy manifested on that occasion will be fully realized by an early completion of the road.

A HARD WINTER.—The snow drifts are not confined to the railroads. The Syracuse (N. Y.) Journal says that the plank roads in that section are in a bad fix, and adds that in one place the drifts are so high that the gate keeper comes up through the scuttle in the roof of his house, and receives the toll by reaching up through a hole in the middle of the roof.

ILLUSTRATING A POINT.—Sir Fletcher Norton was noted for his want of courtesy.—When pleading before Lord Mansfield on some question of manorial right, he chanced unfortunately to say, "My lord, I can illustrate the point in an instant in my own person. I myself have two little manors."

SPURIOUS QUARTER EAGLES.—The Washington Star cautions the public against spurious quarter eagles, which have made their appearance in Baltimore and other cities.—They are dated "1854" and are well executed, save their brassy color and light weight.

COUNTRY DEALERS can buy CLOTHING from me in Huntingdon at WHOLESALE, as cheap as they can in the cities, as I have a Wholesale store in Philadelphia. H. ROMAN. April 2, 1856.
