

LOCAL & PERSONAL.

LICENSE BONDS.—We will have printed and on hand for sale to-morrow, blank bonds, for all who may take out licenses under the late liquor law.

Our neighbor, Mr. Eclaris Thomas, has handsomely fitted up his establishment for the accommodation of visitors. Ice Cream can be had at his saloon every evening—and the choicest sweetmeats, at all times.

IN DEMAND.—Mechanics and Laborers.—The hundreds and thousands out of employment in the cities, could find constant employment at good wages, if they would go where they are wanted.

SNARE'S JEWELRY ESTABLISHMENT.—A larger assortment of Jewelry, Watches, Fancy Articles, &c., than usual, now on hand.—Call and see, if you do not buy.

DAVID P. GWIN'S STORE.—This store is filled with one of the finest stocks of goods ever brought to the "ancient borough." The ladies will find everything that is beautiful and fashionable in his selection—and gentlemen have not been any less provided for.—He sells good articles, as cheap as anybody else, and is a gentleman to deal with. Don't pass his door without going in.

The Huntingdon Foundry has been rebuilt by Messrs. J. M. CUNNINGHAM & BRO., and is now in full operation. These gentlemen notify the public of that fact in our advertising columns to-day. If you want anything in their line of business give them a call.

SMITH'S WORKS.—A book entitled "The Miscellaneous Works of Richard Penn Smith," is upon our table. It contains 326 pages of literary reading in prose and poetry of the highest merit. For sale by WM. COLON, corner of Montgomery and Railroad streets.

HUNTINGDON AND BROAD TOP RAILROAD.—This railroad is doing a big business—an immense amount of coal is being daily transported to the east; but owing to a scarcity of miners it falls far short of supplying the demand. Several new mines will be opened as soon as the hands can be procured.

The railroad track has been completed to their station house on Railroad street.

Under the superintendency of Mr. JAMES BOON, the motive power of the road is being managed to the entire satisfaction of all concerned, while the other affairs of the Company are rapidly approaching to a complete and thorough organization. Much credit is due that gentleman for the efficiency and energy with which he has discharged the duties appertaining to his appointment. He is the very man for the place.

A BREAK.—The basin at this place was suddenly emptied on yesterday morning.—The water found its way through the bottom of the basin into an old culvert, which, with about 20 feet of the towpath bank was washed into the river.

PERSONAL.—NOTICE EXTRAORDINARY!—On a former occasion we gave warning to the individual who, on every opportunity, pockets the Hollidaysburg Standard from our news table. The game was repeated three weeks ago and last week. Several other important and interesting exchanges also disappeared last week as mysteriously, before we had the time to open them. It is an act of kindness we delight in to afford an honorable neighbor the privilege of perusing our exchanges, but we give no one a license to commit petty larceny. We plainly tell you, whoever you are, our patience with you is entirely exhausted; and if the theft is repeated and we discover you, your name will appear in print without our compliments. Now, in order to save you this mortification as well as ourself that last resort for protection from your light fingers, we will instruct you how to proceed. After reading this notice, procure a slip of paper, pen and ink, and set down, or if you are not too lazy you may stand up, and write as follows:

HUNTINGDON, April 30, 1856. O. A. TRAUGH, Esq.—Dr. Sir: I enclose one dollar and fifty cents, for which please send me a copy of your paper for one year, and oblige Yours,

Sign your name, enclose the letter with \$1 50 in an envelope, and then mail it. On every succeeding Wednesday evening during the year, call at the P. O. and get your own paper.

We learn from the "Journal" of this week that A. W. Benedict, Esq. and Col. S. S. Wharton are candidates for the Know Nothing nomination for the Senate. Gen. John Williamson has got on the other side of the fence and will be a prominent candidate for nomination for the same office by the Black Republican party.

"BLAIR COUNTY ART UNION."—It is confidently expected that the first distribution will take place on or about the 20th of May. We would therefore advise all who intend to invest in the enterprise to do so at once—as delays are dangerous. See advertisement in the columns of this paper.

HARDWARE STORE.—The Hardware Store of Messrs. JAMES A. BROWN & Co. is one of the most extensive in this section of the State. You can get any article from them in that line of business, besides many others not classed as Hardware. A general hardware store was much needed in this community—they have supplied the deficiency, and should be well patronized.

A New Song. After the terrible long and severe winter through which we have just passed, the few genial spring days which have visited us, make us join with more than usual good-will in the following hymn of thanks for "pleasant weather," written by Gen. Geo. P. Morris, of New York:

Thank God for pleasant weather! Chant it, merry rills! And clap your hands together, Ye exulting hills! Thank Him, teeming valley! Thank Him, fruitful plain! For the golden sunshine, And the silver rain!

Thank God, of good the Giver! Shout it, sportive breeze! Respond, oh tuneful river! To the nodding trees. Thank Him, bud and birding! As ye grow and sing! Mingle in thanksgiving Every living thing!

Thank God, with cheerful spirit, In a glow of love, For what we here inherit, And our hopes above!— Universal Nature Revels in her birth, When God, in pleasant weather, Smiles upon the earth!

S. of T. At a regular meeting of Keystone Division No. 48 S. of T., held April 26, 1856, the following preamble and resolutions were adopted:

Whereas, It has pleased an All-Wise Providence to call from life, usefulness, his friends and associates, our beloved Brother, P. W. P. ARTHUR H. CLARK, and while we bow with reverent submission to the will of Him "who doeth all things well," yet we deem it right and proper for the sake of the living to give a considerate and sober expression of our heart-felt sorrow for his loss, therefore Resolved, That in the opinion of this Division, by the death of Bro. A. H. Clark, the community has lost an enlightened, patriotic, upright and useful citizen, and the Order of the Sons of Temperance an able, zealous, and consistent advocate.

Resolved, That we respectfully tender to the family and friends of our deceased Brother, our sympathies, on account of their afflictive bereavement, with the expression of an humble hope that He who has thus seen fit to afflict may also see meet, when his time shall arrive, to administer sustaining consolation.

Resolved, That a copy of these resolutions, attested by the R. S. under the seal of the Division, be sent to the widow of our deceased Brother, and that they be published in the *Mifflin* and *Huntingdon County papers*.

WILLIAM ALLEN, SAMUEL LAIRD, J. K. RHODES, Committee. Huntingdon American and Shirelysburg Herald please copy.

FOUR DAYS LATER FROM EUROPE. New York, April 23.—The steamship *Arago*, with Havre and Southampton dates to the 9th inst., has arrived.

Nothing has been heard of the missing steamer *Pacific*, and the report made by the vessel that arrived in Spain from Newfoundland, in regard to lights of a steamer seen in the ice, is not regarded as furnishing any clue to her fate.

Flour is unchanged as regards good brands but inferior Western is neglected, and prices have declined.

There has been heavy arrivals of bread-stuffs, and wheat and corn are easier, with a slight decline.

The Peace Congress continues its sessions. It is said that Austria gives trouble by persistently refusing to fix the day for evacuating the Principalities. Austria's pretext is the necessity for protecting the country against disorders, until the regular administration is established, though bound by treaty to quit the Ottoman territory on the conclusion of peace.

Russia is strongly opposed to the position assumed by Austria. Further intelligence, however, states that the Austrian troops were leaving the Principalities.

The Opinions of Turin gives, upon good authority, the conditions contained in the Treaty of Peace lately concluded at Paris.—They are affirmed to be as follows:

First.—The Neutralization of the Black Sea; Russia not to keep more than ten ships of war armed, for the defence of her coasts.

Second.—Nicolaieff is to be reduced to a merchant port, with an engagement that no ships of war shall be constructed beyond the number agreed to as above.

Third.—Russia is to allow consuls from all the Powers in the ports of the Black Sea and the Baltic.

Fourth.—The fortifications of Bomersund are not to be reconstructed.

Fifth.—Russia cedes part of the territory of Bessarabia, comprising the fortress of Ismail.

Sixth.—Russia renounces the exclusive protectorate of the Danubian Principalities.

Seventh.—Russia equally renounces the Protectorate of the Greeks in the Ottoman Empire.

Eighth.—The free navigation of the Danube is guaranteed to all the States, without exception.

SEVERE REBUKE.—The determination of Henry Ward Beecher and other bullies to get up a civil war in Kansas, by putting Sharpe's rifles in the hands of silly emigrants, calls forth the following notice from the *Iowa State Democrat*:

"When, 'in the name of God Almighty,' the thirty-five hundred Protestant clergyman demanded of Congress a repeal of the Nebraska act, we did not dream they would dare disgrace their heavenly calling by openly advocating civil war, butchery, and bloodshed."

Riots in Erie! ERIE, April 25.—A street fight occurred between young Walker and a Mr. Cochran.—Cochran was whipped, and from this grew a general row, the "Constitution" newspaper office being gutted and burned. The rioters are firing a cannon, and it is proposed to destroy the houses of the Railroad men.

More Troubles in Kansas. CHICAGO, April 26. A dispatch from Leavenworth, states that on the 22d, Sheriff Jones, while attempting to arrest a man who was implicated in the late difficulties, was resisted by a body of 300 armed men. Governor Shannon had ordered out the military.

Forged Land Warrants. WASHINGTON, April 26. A dispatch from Leavenworth, states that on the 22d, Sheriff Jones, while attempting to arrest a man who was implicated in the late difficulties, was resisted by a body of 300 armed men. Governor Shannon had ordered out the military.

PHILADELPHIA MARKETS. PHILADELPHIA, April 28.—Flour market is dull, and prices have further declined 25 per cent; sales of 1000 bbls standard shipping brands at \$6.25, mostly at the lower figures at which there are more sellers than buyers, there is a limited demand for the supply of the city trade, at \$6.25, 75 in quality. Rye flour is dull, and heavy at \$4.25. Corn Meal is very quiet at \$3 for Penna. There is a fair amount of wheat offering, but the demand is quite limited; sales of about 800 bus Southern and Penna red in lots at \$14.15 for fair and prime, and 1000 bus fair white at \$14.00. Rye is in fair demand, at 75 for Penna and Western. Corn is steady, sales of 8000 bus yellow at 5 7/8 afloat, and 2400 bus damaged at 45. Oats are dull and lower; sales of 3000 bus Delaware at 33 1/2. Cloverseed is less inquired for, and has further declined; sales of 60 bus prime at \$8.50 per 64 lbs.

DIED. On the 19th instant, at Shade Gap, Huntingdon county, MARY CATHARINE, daughter of J. S. Hunt, Esq., aged 1 year seven months and 12 days.

In Tell township, Huntingdon county, on Saturday, 12th inst., Mr. JAMES CISNEY, aged about 56 years.

Mr. CISNEY was a kind neighbor and a highly respected citizen. He died in the full hope of "rising to the life immortal!"
