Potter's Vegetable Catholicon.

Potter's Vegetable Catholicon is offered for the cure of Diseases of the Liver, Ulcerated Sore Thost, Debility resulting from Intemperance and Dissipation, Scrofula or King's Evil, Old and Inveterate Ulcers, Pains in the Bones, Rheumatism, Dispepsia or Indigestion, Diseases of the Lungs, Syphilis, Blotches on the Face and Skin, White Swelling of the Joints, Tetter, Mercurial diseases, Piles, &c. &c.

The Catholicon consists exclusively of vegetable matter, and with a slight determination to the bowels, which it preserves in a soluble state, acts nsensibly, is pleasant to the taste, and requires no particular regimen or confinement. As a gentle cathartic medicine, improving the appetite and restoring the general tone of the system, it is confidently recommended to ladies in a delicate

The unrivalled and extensive character which this medicine has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humours both in Hospital and Private Practice, is a substantial basis for its future support It has obtained its present great distinction by the extraordinary success which has attended it in the Healing Art, while every avenue and track have been searched in vain for its parrallel; indeed, its discovery may be considered one of the most sacred boons that can be afforded to the unfortunate; and I most sincerely hope the smypa-thy of the public will be excited to diffuse its in-

valuable merits. There are at this time several spurious mixtures in circulation abroad, and some vended in this city, assuming to possess the same, or equal virtues, of Potter's Catholicon. It is to be hoped that the unsuspecting will be placed on their guard against such impositions, much mischief has resulted from their use. They consist principally of sarsaparilla sirops, viz. Sirop de Cuisiner or Rob L'Affecteur, and are sold for a much less price; you will therefore be particular and purchase of none but my authorized agents, where you can obtain the GENUINE CATHO-LICON.

W. W. POTTER, Philadephia,

The following strong testimonial is furnished at the request of Dr. Davis, of Lynchburg, Va. by a gentleman of great respectability, residing in that place, whose original certificate, of which the following is an exact copy, is left with the proprietor of the Catholicon.

CASE.

LYNCHBURG, Va May 5th, 1828. At the request of D.-—, I here give a statement of the effect of Potter's Catholicon in the restoration of my health. My constitution had been in a declining state for more than eighteen months. I was nuch troubled with a short dry cough, slight difficulty of breathing, which was much increased by bodily exercise. At night, great oppression at the chest was experienced, with excessive colliquative sweats, soreness and pain in the sides and breast, with extreme languor and loss of appetite. In this situation, I travelled to the New England states by sea, but obtained no permanent relief. Some time after my return by way of experiment, I was induced to use Potter's Catholicon, and after using two bottles, my

health was perfectly restored.

Warned at the approach of this destroyer of all ease, I had recourse to physician after physician, and remedy after remedy, but received little or no relief. I was recommended to retire into the country, where I so far re-cruited, that I began to think the enemy was dis lodged. I returned to the city, where in a short time all my old symptoms returned with double violence. My stomach became so debilitated with drugs that I relinquished the regular system and entered on a course of Swaim's Panacea. It did me no good, and I went back to my doctor, who crammed me with pulverized oyster shells, etc. etc. My teeth became loose, and some actually fell out; there was a constant pain in my joints, particular ly in damp weather, pains in my right side and shoulder, etc. I now submitted to another course of medical treatment, until the fall of 1829, when my physicians stated the disease to be a schirrus of the liver. Then it was that I determined to try your Catholicon, a few doses of which improved my appetite, and, gave me a feeling of ease and

It first manifested itself in the summer of 1821, and rendered frequent application to an eminent family physician necessary, by whose prescriptions I could obtain only a temporary reief. After the lapse of many months, without receiving any permanent benefit from medicine, I came to the determination to try your Catholicon. I took three bottles, and thank God, I can truly say the disease of the liver entirely left me; and I have since been as well and hearty as man can be, in the fullest enjoyment of health and spirits.-My cure was effected solely by your celebrated and agreeable Catholicon.
