MARRIED,

" On the 12th inst. by the Rev. Samuel Gutelius, Mr. SAMUEL SHIELD to Miss MARY YAGERLENER both of Germany township.

DIED,

Suddenly, on the 21st inst. Mr. WILLIAM SLAY-BAUGH, of Menallen township, in his 63d year. On the 13th inst. Mrs., NAOMI MORTIN, of Menallen township, aged about 68 years.

On the same day, Mrs. LOUISA STERLY, of this county, in the 79th year of her age.

ADVERTISEMENTS.

A VALUABLE MEDICINE CF Recommended by unquestionable and conclusive testimonials.

THE Proprietor confidently offers to the pubb lic what experience has proved to be one of the most efficacious compounds in the Materia Médica, for the cure of that class of distressing. dangerous and inveterate Diseases produced by an impure state of the blood, acrimony of the humors and vitiated habit of body, and usually exhibiting themselves in the various forms of Scrafula, Salt Rheum, Loprosy, St. Anthony's Fire, Fever Sores, White Swellings, Foul and obstinate Ulcers, Sore Legs and Eyes, Scald Head, Scurvy, and Veneral Taint, where Mercury has failed:

DR. RELFE'S **BOTANICAL DROPS!**

have, in a multitude of cases, cured these invetorate and deep-rooted complaints in their worst and most hopeless stages. The Drops are also given with success for violent eruptions after the mea. sles, red blotches, festering eruptions and pimples on the face; and in connection with Dr. JEBB's Liniment, they remove white swellings of the swelling of the upper dip and nose, will not only hours. quickly yield to this preparation, but scrafulous ulcers, which have spread to such an extent and depth, as to corrode the cartileges and affect the bones with carics have been gradually and permanently healed, by the persevering administration of this powerful medicine; the sunken squalid countenance restored to its florid hue, the vital energy re-established, and the whole system purified and invigorated. They are also the best Spring and Autumnal Physic.

From many other proofs of the superior virtues of Dr. Relfe's Drops, the Proprietor selects the following

INTERESTING CASES.

IT A Lady, to whom reference can be made, was for years atflicted with humors on her neck, accompanied with frequent itching oruptions, and running sores. She had tried various remedies and had taken the best modical advice, but could get no permanent relief, and hor case daily becoming worse, fears were entertained of a fatal termination of her complaint, when a friend providentially recommended the Botanical Drops, four bottles of which effected a complete cure, to the surprise and joy of herself and friends.

IF A Child of S years, had lost the use of his arms, one leg was almost crippled, hip dropped out of place, thigh and arms swollen and broke open in several places, and many of the sores had penetrated down to the bone. On taking these Drops he recovered the use of his limbs, the sores healed up, and he was restored to health, although thought incurable. TF A young Man, near Boston, was reduced so

at the stomach, loss of appetite, general debility, An agent writes: "Your (Dr. Relfe's Asthmatic)

A VALUABLE WORK.

UST received and for sale at this Office, *"Causes, Cure, and Prevention of the* SICK-HEADACHE." By James Mease, *R* **HED OF** BY THE USE OF **DR. HEBRS RHEUMATIC LINIMENT**. Price 50 cents per copy. M. D. Star Office, Jamary 31, 1832.

Pulmonary Consumption.

Catarrhal and Asthmatic Disorders! ORE than one rearries all the annual deaths in this country and Groat Britain, are stated to be caused by that insidious destroyer of humanlife, the

CONSUMPTION! Easily overcome in its infancy, it rapidly arrives, if newlected, at an unconquerable and terrific ma-

turity. An obstinate, violent and convulsive couch s the inevitable forerunner, when neglected, of the nausea; oppression of the breast; greenish and and, at length, while the wrotched sufferer is still death. These evils may be nipped in the bud by the timely administration of that long tried and

invaluable Medicino. DR. RELFE'S ASHMATIC PILLS, which have been known to cure persons supposed to be far gone in a Consumption, and exhibiting all the appearance of approaching dissolution.

The Pills also constitute an excellent PECTORAL MEDICINE. Those therefore who are troubled with. he common coughs occasioned by acrid humours, tickling in the throat, or defluxions upon the lungs, depriving the patient of refreshing sleep, and gra- cy, in mitigating, and thoroughly mastering, the women from 45 to 50, to prevent the dangerous dually introducing the train of Pulmonary affec- excruciating disease, to which it has been suc- disorders consequent upon that critical period of tions, will receive from the use of the Pills, cer- cessfully applied in a multitude of cases. The female life. They have been further found, by tain, and frequently the most sudden and cheering relief. They appease the cough, promote easy expectoration, relieve and often cure protracted, joints. The Scrofula, in its early shapes of mere obstinate and most distressing cases. Common tumors behind the ears and under the chin, and Colifs are generally removed by the Pills in a few

> These Pills also afford immediate relief in the harrassing and sufficient complaint of the Asthma. In attacks of this disease characterized by difficulty of breathing ; tightness and stricture a cross the breast and in the jungs; oppressive flatulence; wheezing; coughing & hoarseness; costiveness and other Asthmatic symptoms, the timely administration of Dr. Relfe's Pills, invariably mi tigates the attack, often ensures permanent relief, and sometimes effects a radical cure.

The Pills may be taken with the most perfect costireness, is now found to yield to the tried effiafety, as they require, in ordinary cases, no con- | cacy of finement, and may be administered with the utmost confidence to all ages and classes of people.

These popular P.Ils have been used by multi tudes with unexampled success, in a vast variety of ereas, from these of the slightest, to others of the most confirmed character. Their powerful agency has been known to revive from the bed of sickness, the palid, dejected and omaciated victum, and send him back again to "the busy hum of men" an active man of business in the full enjoyment of the blessings of health. L" In proof of which, the following, from a mul-

titude of testimonials, are respectfully submitted: "I have tried your Dr. Relfe's Asthmatic Pills, in Asthma, difficulty of breathing, and Consumption, when all other Medicine had failed, and have found them most excellent." Another Physician writes: "I have tried your Relfe's' Asthmatic Pills with a patient of mine, whose case had resisted every thing; the cough has certainly left her.' A correspondent writes: "The ASTHMATIC PILLS give such astonishing relief in cases of common

low by eruptions and sores in various parts of his body, especially his neck and Quands; weakness they make the trial."

REMARKABLE CURE OF RHEUMATISM.

THE A. M. STAR & REPUBLICAN BANNER.

COPY OF A LETTER.

CHARLESTOWN, (Mass.) June 23, 1827. To the Proprietor of Dr. Jebb's Liniment. DEAR SIR:-I deem it a duty 1 owe to suffering humanity, to acquaint you, and through you the public, (should you think best) of the unexpected and surprising cure performed on myself by the use of the above most excellent Medicine. I have been for more than thirty years, and some times

most severely, afflicted with the Rheumatism; have been frequently rendered perfectly helpless, and in consequence confined to my bed, when it has required two persons to move me, being in such extreme pain; I have several times been under free and brisk circulation of the blood, when bethe care of the most eminent physicians, but pro. | como sluggish and languid from the afficting allcured only temporary relief. I one day noticed PULMONARY CONSUMPTION, and its atten- the advertisement of Dr. Jebb's Liuiment, with dant train of horrors ; increased heat and nulse ; the testimonials accompanying it, and was indu- of the sanguifereus system, when nature requires ced to try a bottle, which I used without much bloody spittle; loss of appetite & increase of thirst; sensible benefit. I concluded, however, to perse-nlcerated lungs; clammy sweats and hectic fever; vere, and bought another bottle, and was greatly general emaciation of the body; shrivelled extre- | relieved, and by the use of half the third battle, mities; excessive and weakening discharges; sink- | was wholly cured, and have never since had a reing of the eyes; prostration of trengths jumping turn of the pain, which I had not been free from pains and flushed checks; swellen teet and legs; a month at a time for thirty years and it is new a month at a time for thirty years, and it is now heart, bad digestion, loathing food, pains of the more than three years since I was cured. I sanguine of hfe, cold extremities and an agonizing would most earnestly advise every person suffer. tion, sinking of the spirits, and its consequence, a ing under this painful complaint, not to desprir of a cure so long as they can obtain "Dr. Jebb's | conversation. They are equally conductve to the Liniment." You are at liberty to make any use of this you may think advisable.

Most respectfully, yours, CALEB SYMMES.

To the foregoing testimony, many other impres-tionable proofs might be added, in favor of the superior Liniment of Dr. Jobb. Nothing but a when retained, lay the foundation of numerous fair trial, which the proprietor confidently solicits, disease, and render the incantious subject un-can give an adequate idea of its unrivalled effica- healthy for life. -They should also be taken by all operation of the Liniment is often immediate; and experience, to afford a powerful remedy in all it has frequently cured rheumatic affections of hypochon briac, hysteric, and raporish disorders, years standing, in four and twenty hours. It is both in men and women, whose nervous system also recommended with confidence, as one of the they strengthen and regulate, aid nature in throwbest applications known for sliffness of the joints, ing off those gross and superabundant humors numbriess, sprains, and chilblains.

A PLEASANT REMEDY FOR to CORNS.

T has now been known for years, that the AL-BION CORN PLASTER, affords immediate relief, and effects a certain cure for Corns. By its application, according to accompanying direc-tions, the Corn is softened, attenuated, and drawn out by the roots, without the least pain, or any of mere cutting.

The following instances, from many others

Gazetteer of Pennsylvania,

AVING for several years past been in: the practice of preserving Documents respecting the Statistics and general history of Pennsylvania, I have determined to arrange my materials, and after collecting the necessary additional information, to pubpainful complaint. Price 50 cents a box with di- lish a GAZETTEER of the State. But to do this in a proper manner, and to make the work creditable to myself, and generally useful, it is obvious that I shall have to depend greatly upon the assistance of my fellow citizens throughout the Commonwealth for facts and details respecting the particular districts in which they reside; as without such aid, years would be required to collect the information by personal journeys throughout the State-I beg leave to solicit communications, and in order that those who are disposed to favor meewith them, may precisely understand the nature of the information required, the following heads of subjects are given.

- 1. Situation, extent, division, number of acres, cleared and in wood, of the several Counties : proportion and localities of good and ordinary or bad land in them. Cities, towns, and villages-their first settlement.
- 2. Climate, including moisture or dryness-the causes influencing either of these circumstances-Meteorological phenomena, storms, their dates, extent and nature of damages done by them. Diseases from local causes.
- 3. Geological structure, minerals of all kinds, nature of the Coal, if any, Bituminous or Anthracite; localities, depths at which it is foundcourses of the veins, how far opened, particular qualities of it.
- 4. Mountains, in continued ridges, or separate \$ their courses, heights ascertained or computed, whether steep or of pentle ascent: different species of timber at different heights; dry, or abounding in springs; the sorts of stones found on them; whether solid or abounding in caves?
- 5. Rivers and Creeks, their names, con-depths, average supply of water; their of and places of termination; number of mills rected on them, and work done,
- 6. Inkes and ponds; their localities, extent, depth, species of fish in them; mineral waters, their qualities, localities of old Beaver dams.
- 7. Roads, turnpike or county, rail roads-their extent; bridges, of wood or stone, length: canals, fisheries.
- 8. Manufactories, iron works, salt springs, reported extent of business.
- State of education, religious sects, dates of organization of churches or places of worship, General state and progress of improvement.
- 11. Dates of first settlement, names of the pioneers, or of grantoes. Facts about first settlements.
- 12. Notices of Indian wars, or expeditions against them; localities and particulars of their outrages.
- 13. Notices of distinguished men.
- 14. State of agriculture, generally.
- 15. Facts on the present or past variation of the magnetic needle, and of the line of no varition, if any.
- 16. The population will be obtained from the last Census. .

The composition of this will be attended with great labor and considerable expense: and as it is much wanted, the publisher relies upon the patriotism and public spirit of his fellow citizens, to enable him to send it forth as perfect and full as possible. Answers to even a single query, will be acthe trouble and danger attending the hazardous | ceptable. The favor of a communication and ineffectual practice of extracting the Corn by will be greatly enhanced by the speed with which it is made.

and gradual decline of the whole system, so as to threaten an approaching Consumption. He was entirely cured, and restored to a fine state of health by five or six bottles of these Drops.

IJA Married Lady was for years afflicted with eruptions on the face, head, ears and various parts of the body, attended with violent itching, burning, &c., had tried many prescriptions without effect; was confined to her room, and declined all company. She was cured by taking four bottles of these Drops.

Li"A Lad belonging to Saugus, whose head was covered allover with sores and blotches, was wholly cured by a few bottles, after every other reme dy had failed.

IT'A Child five years old, had her face covered with a scab, various cruptions about the body, and was blind of both eyes. She was cured by taking five bottles. A Correspondent writes thus : "I have had U4.

cers on my legs so had that I expected to lose the use of them, and could only walk on crutches; two cents for half do. of 12 Pills, with directions.) pieces of bone came away from my right leg; when ing every thing else that I thought would-allay my Successor, and the Sole Proprietor, T. KIDDER, with foul teeth, and scorbutic, unhealthy gums. sufferings, on using three bottles, I found myself and for sale at his Counting Room, No. 99, next nearly well; the ulcers began to heal up and cease door to J. KIDDER'S Drug Store, corner of Court running."

A Gontleman writes, he had been sorely afflicted for ten years with Biles all over his body, and having tried all kinds of remedies without success, by the use of these Dropshe was perfectly cured.

Another Gentleman writes: "I have been seriously afflicted with the Salt Rhoum on my head, &c. and resorted to the use of many medicines without offecting a cure, or doing any essential good, until I obtained some of your Botanical Drops, which, on using a short time, entirely cured mo. I therefore recommend it to every person afflicted with this complaint."

IT" I was allicted," writes a person, "for six years with intolerable burnings all over my body, a dreadful ulcer on my loft leg, and overy other day a return of headache. After taking one bottle I began to mond, and after the third, was perfectly cured; sixty two pieces of bone came from my leg, mostly very small, the largest was two inch bs long."

Price \$1, or 6 bottles for \$5, with directions.
