REMARKABLE CURE OF **RHEUMATISM,** BY THE USE OF **DR. HEBB'S RHEUMATIC LINIMENT.**

COPY OF A LETTER. CHARLESTOWN, (MASS.) June 23, 1827. To the Proprietor of Dr. Hebb's Liniment.

DEAR SIR—I deem it a duty I owe to suffering humanity, to acquaint you, and through you the public, (should you think best) of the unexpected and surprising cure performed on myself by the use of the above most excellent Medicine. I have been for more than thirty years, and some times most severely, afflicted with the Rheumatism; have been frequently rendered perfectly helpless, and in consequence confined to my bed, when it has required two persons to move me, being in such extreme pain; I have several times been under the care of the most eminent physicians, but procured only temporary relief. I one day noticed the advertisement of Dr. Hebb's Liniment, with the testimonials accompanying it, and was induced to try a bottle, which I used without much sensible benefit. I concluded, however, to persevere, and bought another bottle, and was greatly relieved, and by the use of half the third bottle, was wholly cured, and have never since had a return of the pain, which I had not been free from a month at a time for thirty years, and it is now more than three years since I was cured. I would most earnestly advise every person suffering under this painful complaint, not to despair of a cure so long as they can obtain "Dr. Hebb's Liniment." You are at liberty to make any use of this you may think advisable.

Most respectfully, yours, CALEB SYMMES. To the foregoing testimony, many other unquestionable proofs might be added, in favor of the superior Liniment of Dr. Hebb. Nothing but a fair trial, which the proprietor confidently solicits, can give an adequate idea of its unrivalled efficacy, in mitigating, and thoroughly mastering, the excruciating disease, to which it has been successfully applied in a multitude of cases. The operation of the Liniment is often immediate; and it has frequently cured rheumatic affections of years standing, in four and twenty hours. It is also recommended with confidence, as one of the best applications known for stiffness of the joints, numbness, sprains, and chilblains. Price 50 cents, with directions.

DYSPEPSIA, OR INDIGESTION.

THIS prevalent disorder, as it exhibits itself in its customary symptoms of want of appetite, distressing flatulencies, heart-burn, pain in the stomach, sick headache, nausea, vomiting and costiveness, is now found to yield to the tried efficacy of

DR. RELFEE'S VEGETABLE SPECIFIC, AND ANTI-BILIOUS PILLS.

These two preparations combined, constitute an efficacious remedy for the Dyspepsia, even after it has acquired the most obstinate character, and resisted every effort of professional skill.—When both medicines are administered in connection according to plain and particular Directions accompanying the Vegetable Specific, they thoroughly cleanse the alimentary canal of that viscid mucus which is the proximate cause of the disorder, and as a tonic and stimulant, they restore the healthy action and energy of the stomach, and strengthen the debilitated system.—The proprietor can also confidently recommend the Vegetable Specific as one of the best remedies known for the Sick Headache. Price 50 cents each article, with directions.

BRITISH ANTICEPTIC DENTIFRICE.

THE BRITISH ANTICEPTIC DENTIFRICE, which the present proprietor wishes most particularly to recommend to the attention of the public, is perfectly exempt from all those acids which in general form the basis of tooth powders in common use, and which although they may whiten the teeth for a short time, must inevitably destroy the Enamel by their deleterious action on this beautiful covering of the teeth.—The consequence is that the Enamel which is the shield provided by nature to protect the spongy and nervous internal structure, is rapidly corroded by these acid ingredients, become more discolored than ever, and exposes the inner portion of the tooth to caries and a rapid and certain decay. By the use of the British Anticeptic Dentifrice, in the morning, as occasion may require, with a brush moderately hard, and cold water, the accumulation of Tartar will not only be prevented, but the teeth rendered beautifully and permanently white, and the gums restored to that freedom from soreness, that hardness and efflorescence which are the sure tests of their healthy state, and the best guarantee of that natural fragrance of the breath which can never be expected in connection with foul teeth, and scorbutic, unhealthy gums. (Price 50 cents a box, with directions.)

The above valuable Medicines are prepared from the Original Recipe MS. of the late Dr. W. T. CONWAY, by his Immediate Successor and the Sole Proprietor, T. KIDDER, and for sale at his Counting Room, No. 99, next door to J. KIDDER'S Drug Store, corner of Court and Hanover streets, near Concert Hall, Boston, and also by his special appointment, (together with all the valuable medicines as prepared by the late Dr. Conway,) by Samuel H. Buehler, Druggist, Gettysburg, Pa.

\*Observe that none are genuine without the written signature T. KIDDER, on the outside printed wrapper. A large discount made to those who buy to sell again. January 31, 1832. 4t-45
