\$20 REWARD. JACOB CULP, an indented apprentice to the Cabinet-making business, had my leave to go out one week harvesting—he left me on the 2d instant, and was to have returned on the Monday week following—Having not yet returned, I am induced to think that he has absconded. I will give the above reward if said apprentice is taken at any time within 30 days from the 11th inst. and brought home. I hereby caution all persons from harboring or employing said apprentice, for, as he absents himself from me without any just cause, I will positively prosecute all those who may harbor or employ him in defiance of this notice. TO MY CREDITORS. TAKE NOTICE, that I have applied to the Judges of the Court of Common Pleas of Adams county, for the benefit of the Insolvent laws, and that the said Judges have appointed Monday, the 22d day of August next, for the hearing of me and my creditors, at the court-house in the borough of Gettysburg, where you may attend if you think proper. \$75 REWARD. RANAWY from the subscriber, living near Taneytown, Frederick co. Md. on the 21st of May last, a negro man named JOHN HOWARD, Between 30 and 40 years of age; skin not very dark; about six feet high; tolerably slender; curly countenance; round chin, and shows his teeth very much when laughing; he has a very large scar on one of his legs, between the ankle and knee, occasioned by the cut of a scythe—I think it is on the right leg; he is tolerably fond of whiskey, and has some pretensions to the Shoe-making business. He went away with a negro who has had one of his hands taken off, belonging to Maj. Jno. McKalub of Taneytown—no doubt they will be in the same neighborhood. BICKNELL'S REPORTER, Counterfeit Detector, and Price Current.

THE publisher of this journal having been solicited by a large number of his patrons to issue the "Reporter" weekly, has, in consequence, made such arrangements as will enable him to comply with their wishes after the 31st of July inst., on which date the first year of this publication will be completed. We feel grateful to the public for the liberal patronage awarded us, (having now an extensive circulation than any other newspaper in the United States,) and shall leave no resource to, in order to render this journal useful in all respects, not only to merchants, banking institutions, brokers, and keepers of hotels, but to the community in general. We have engaged the literary assistance of several gentlemen well known as writers, and have correspondents in all the principal cities and towns in the United States. We also receive weekly more than five hundred newspapers from different parts of the Union, so that whatever information may be circulated through the Medium of the "Reporter," and the resources from whence it is derived, we can confidently state may, in all cases, be relied upon as correct. Bank notes are being counterfeited in every direction; and on the arrival of every vessel from Europe, or the creation of every national excitement, the state of the market varies. Every person should therefore, be possessed of some certain guide by which all such information might be received by earliest mails, and at such a rate as not to render its possession an exorbitant tax. Such a journal is exactly what we endeavour to render the "Reporter," in an effort to accomplish which, neither pains nor expense will at any time be spared on the part of the publisher. Every number will contain a carefully corrected Bank Note List, List of Broken Banks, Prices Current, Prices of Gold, Prices of Bank and Insurance Stock, & a description of all Counterfeit and Altered Notes in circulation throughout the United States, and all such information as is likely to throw light upon the subjects embraced in the design of this journal.—The latest foreign news, together with much original and well selected matter, will also be found in the columns of the "Reporter." ADVERTISEMENTS, not exceeding a square, inserted three times for one dollar, and for every other insertion twenty-five cents—larger ones in proportion. Notes on all solvent banks, of a less denomination than five dollars, received at par in payment for subscriptions and advertisements. The weekly publication will be enlarged and otherwise improved. It will be issued at the low price of 33 per annum; the semi-monthly to remain at 22; single copies, 12 cents. Address—ROBERT T. BICKNELL, Exchange Broker, No. 113, Chesnut street, Philadelphia.
