**BICKNELL'S REPORTER,**

Counterfeit Detector, and Price Current.

THE publisher of this journal having been solicited by a large number of his patrons to issue the "Reporter" weekly, has, in consequence, made such arrangements as will enable him to comply with their wishes after the 31st of July inst., on which date the first year of this publication will be completed. We feel grateful to the public for the liberal patronage awarded us, (having now a more extensive circulation than any other newspaper in the United States), and shall leave no measure unresorted to, in order to render this journal valuable in all respects, not only to merchants, banking institutions, brokers, and keepers of hotels, but to the community in general. We have engaged the literary assistance of several gentlemen well known as writers, and have correspondents in all the principal cities and towns in the United States. We also receive weekly more than five hundred newspapers from different parts of the Union, so that whatever information may be circulated through the Medium of the "Reporter," and the resources from whence it is derived, we can confidently state, may, in all cases, be relied upon as correct. Bank notes are being counterfeited in every direction; and on the arrival of every vessel from Europe, or the creation of every national excitement, the state of the market varies. Every person should therefore, be possessed of some certain guide by which all such information might be received by earliest mails, and at such a rate as not to render its possession an exorbitant tax. Such a journal is exactly what we endeavor to render the "Reporter," an effort to accomplish which, neither pains nor expense will at any time be spared on the part of the publisher. Every number will contain a carefully corrected Bank Note List, List of Broken Banks, Prices Current, Prices of Gold, Prices of Bank and Insurance Stock, & a description of all Counterfeit and Altered Notes in circulation throughout the United States, and all such information as is likely to throw light upon the subjects embraced in the design of this journal. The latest foreign news, together with much original and well selected matter, will also be found in the columns of the "Reporter."

ADVERTISEMENTS, not exceeding a square, inserted three times for one dollar, and for every other insertion twenty-five cents—larger ones in proportion.

The weekly publication will be enlarged and otherwise improved. It will be issued at the low price of 25¢ per annum; the semi-monthly to remain at 50¢; single copies, 12¢ each. Address—ROBERT T. BICKNELL, Exchange Broker, No. 119, Chestnut street, Philadelphia.
