Monday Morning, Aug. 17, 1857.

- DENOCRATIC STATE NOMINATIONS.

FOR GOYERSOR, WILLIAM F. PACKER, of Lycoming.

CANAL COMMISSIONER. NIMROD STRICKLAND, of Chester.

SUDGES OF THE SUPREME COURT. WILLIAM STRONG, of Berks, JAMES THOMPSON, of Eric.

The Next House of Representatives .-Elections of members of the House of Representatives of the next Congress have now been held in all the States of the Union with the exception of Maryland, Georgia, Mississippi and Louisiana, The Washington Union makes the result as follows: Democrats 110. Republicans 91. Americans 8, vacancies 2. Supposing no changes to occur in the remaining four States where elections are to be held, the next House of Representatives will stand as follows: Democrats 125, Republicans 91, Americans 16, vacancies 2. The House consists of 234 members-118 constituting a majority. The Democratic majority, therefore, will be 16-subject, however, to any changes that may occur in the States yet to vote.

United States Senators .- The Legislatures of Tennessee, Virginia, Texas, Kentucky and Alabama are to elect United States Senators at their next fossions. Tennessee has to choose two. Hunter and Wise are prominent eardidates in Virginia. Ex-Governor Powell, ex-Secretary Guthrie, Hon. Geo. W. Johnson, Hon. Wm. Preston, and Hon. John W. Stevenson are spoken of in Kentucky by the Democrats. Gen, McCullough, the Texan Ranger, will probably be Gen. Rusk's successor from

States Senate by a Democrat.

Kansas Affairs. - A Washington letter of Tuesday says:-Governor Walker, according to advices received to-day, is besieging the city of Lawrence. He has set his force quietly down before it, 'to await the movement anticipated from those within it. The dispatch says the policy of the Administration in adopted by a nearly unanimous votemeaning, of course, unanimous in Lawrence. It is still uncertain whether Lane and Robinson and other Free State leaders intend to provoke a collision with the United States authorities.

The Prospect in Ohio. - A patron residing in Ohio-in a letter enclosing the amount of a year's subscription for the Compiler in advance-remarks:

"The prospect of Ohio being redeemed from the hands of Chase, Gibson & flattering. The nominations that have just been made by the Ohio Democracy, give general satisfaction. H. B. Payne, the nominee for Governor, is an excellent man; not a political back nor forward Democrat, and an excellent arer of Van Wert county, Ohio, a Respeaker. In fact, he is just the kind of man that will do honor to the Gubernatorial chair of Ohio. Our motto is, 'Ohio must and shall be redeemed!'"

Judge Davison has refused to admit Mrs. Cunningham to bail. The New York journals are hinting that some further discoveries respecting the murder of Dr. Burdell are likely to come out of the recent Cunningham farce.
