"Horrible Murder.-A most horrible murder was committed near Princess ders', Bowery Savings, Shoe and Leath-Anac, Md., on Wednesday week. The Snow Hill Shield says:

A negro man, who has been sometime attempting to pass himself as partially deranged, met on the road after night a noon, at which it is understood the white woman whom he attacked, cut open her bowels, strewed them by the roadside, and otherwise horribly mutilated the body. He also cut off the right hand at the wrist, which cannot be found. The demon was arrested, confussed the deed, and gave as a reason for the act that a conjuress named Pusey had told him that if he could get the right hand of a female corpse and wear it about his person, he would at all times be able to overcome his enemies.
