Leanard Auxt, Gestysburg, HENRY G. WOLF, Clerk. Murch 29, 1858. Elastic Cement Roofing.

TILE subscriber is prepared to contract and put on at the shortest notice, W. E. Caild & Co's. Patent Fire and Water Proof Elastic Cement Roofing.
It is perfectly Fire and Water proof, and in point of durability is equal, if not superior, in point of durability is equal, if not superior, large variety of new style Brilliants, Cambrier tin, tar, iron, or shingle roofs, however or bries, Jaconets, Plain Cambries, Linen, Collars, Handkerchiefs, &c. [April 5.] flat or steep they may be.

In point of resisting the elements of fire and water, nothing has yet been discovered equal to the Elastic Cement.

Those who have used it, have testified that it is the very perfection of Roofing, and that there is no further room for improvement.— No one will now think of putting on shingles, when this Cement can be had for much less money and will outwear four shingle roofs. This Roofing is warranted as represented.

The Elastic Cement is the cheapest and
