

The Compiler.

Letter from the West. The following letter is from a citizen of this county, now travelling in the West. We do not know that it was intended for publication, but "take the responsibility" of inserting it, nevertheless. It is dated...

Dear Sir:—I left home on Monday last afternoon, for the West, and should have been back by this time, but having for company my better half and little son, we spent one whole week at Columbus, Ohio—very pleasantly. We left there yesterday morning, and arrived at this place in the evening. We are now staying at Mr. George Houck's, lately from Adams county, Pa., very comfortably too. From this I intend in a few days to go West, from whence you will probably hear from me again.

Great country, these western States. They have very prettily located towns, and splendid buildings in them; but in general in the country they are not so good. The land is certainly very fertile. They have had an exceedingly wet time of it out here for the last month—had a few clear days lately, but raining at the present again.

Politics, as far as I can judge, are rather steady. The people here don't talk as much of "bleeding Kansas" as further East. A gentleman in Salem, just from Kansas, told me there was very little said there in his hearing respecting government. He said he really believed they were troubling themselves more in the North and East about the government of Kansas than the people of that Territory themselves.

I shall bring my letter to a close by expressing the hope that the fanatics of the North, the South, the East and the West, may never shake the foundations of this great Republic.

Yours respectfully,

Fact and Fancy.

"THE WORLD IS A BUT SHELL." The Fourth of July comes on Sunday this year. Henry T. Fish, Democrat, has been re-elected Mayor of Waterbury, Conn. Prof. Steiner made a successful balloon ascension at Harrisburg, Pa., on Monday, ascending to a height of 5,000 feet.

The Flood in the West—Cairo City Nearly Destroyed. St. Louis, June 14.—Cairo city is flooded by the water and all the houses are tumbling down and drifting away or sinking. Scarcely a building is expected to withstand the flood. All the streams on the Mississippi are rising.

St. Louis, June 14.—The terrible flood at Cairo city, by which the whole place has been nearly destroyed, was caused by the opening of a crovasse, on Saturday afternoon, on the Mississippi side of the town, through which the water poured in at a fearful rate, filling up the whole space between the levees, and now running over the embankment on the Ohio side. About a thousand feet of the Illinois Central Railroad was washed away.

Our exchanges from almost every section of the country bring us accounts of serious freshets. At Norfolk, Va., rain fell in torrents all day on Sunday, overflowing the banks, and causing the water to rise in the Potomac, and other streams were overflowed, but fortunately no serious damage was done.

On Saturday evening Neal Deaven and Hugh McGreaven, employed at Hopkins' ore banks, in Lancaster county, Pa., were drowned in attempting to cross a swollen stream in Strasburg township. The mill dam of James A. Gambrell on Bush creek, Frederick county, Md., was swept away on Saturday. A slave belonging to E. A. Shriver, of the same county was drowned on Sunday in Israel's creek.

The Cincinnati papers give accounts of damage done to various railroads in Ohio and Indiana. Great damage has been done in Chester county, Pa., by the overflowing of the Brandywine, Chester creek and other streams; mills, forges, bridges, fences, &c., have all suffered more or less damage.

On Saturday evening, June 10th, the Church, in Baltimore county, Ohio, by Rev. E. Bray, Mr. HIRAN MILLS to Miss HANNA MILLER, (formerly of this county), all of that place. At the house of the bride's father, on the 17th inst., by the Rev. J. Martin, Mr. ELSKINE E. F. TAYLOR, of York county, to Miss JANE A. FICKES, of Adams county.

Market Reports.

Table with columns for Flour, Wheat, Rye, Corn, Oats, Beef Cattle, Hogs, Hay, Whiskey, Guano, Peruvian, etc. and prices per bushel, barrel, etc.

Table with columns for Flour, Wheat, Rye, Corn, Oats, Cloverseed, Timothy, Plaster, etc. and prices per bushel, barrel, etc.

The Only Safe.

PREPARATION that does not Dye, but restores GRAY HAIR to its original color, by Nature's own process, is Dr. Wood's celebrated HAIR RESTORATIVE.

IN proof of the above assertion, read the following testimony from distinguished persons from all parts of the country: Hon. Solomon Mann, Ann Arbor, Mich., says his wife, whose hair had become very thin, and entirely white, was restored to its original brown color, and had thickened and become beautiful and glossy upon, and entirely over, the head. Others of my family and friends are using your Restorative with the happiest effects.

Hon. Judge Breese, Ex-Senator of Illinois, says my hair, which was restored to its original color, and I have no doubt permanently so.

Hon. H. I. Stewart, says, my hair was very gray, but after using two bottles, it restored to its natural color.

Hon. Wm. Wood, says, my hair was very gray, but after using two bottles, it restored to its natural color.

Hon. Wm. Wood, says, my hair was very gray, but after using two bottles, it restored to its natural color.
