Important Discovery.

CONSUMPTION and all Diseases of the Lungs and Throat are positively Cured by Inhalation, which conveys the remedies to the cavities in the lungs through the air passages, and coming in direct contact with the disease, neutralizes the tubercular matter, allays the cough, causes a free and easy expectoration, heals the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that tone and energy so indispensable for the restoration of health. To be able to state confidently that Consumption is curable by inhalation, is to me a source of unalloyed pleasure. It is as much under the control of medical treatment as any other formidable disease; ninety out of every hundred cases can be cured in the first stages, and fifty per cent. in the second; but in the third stage *it is impossible to save more than five per cent.*, for the Lungs are so cut up by the disease as to bid defiance to medical skill.—Even, however, in the last stages, Inhalation affords extraordinary relief to the suffering attending this fearful scourge, which annually destroys ninety-five thousand persons in the United States alone; and a correct calculation shows that of the present population of the earth, eighty millions are destined to fill the Consumptive's grave.

Truly the quiver of death has no arrow so fatal as Consumption. In all ages it has been the great enemy of life, for it spares neither age nor sex, but sweeps off alike the brave, the beautiful, the graceful and the gifted. By the help of that Supreme Being from whom cometh every good and perfect gift, I am enabled to offer to the afflicted a permanent and speedy cure in Consumption. The first cause of tubercles is from impure blood, and the immediate effect produced by their deposition in the lungs is to prevent the free admission of air into the air cells, which abuses a weakened vitality through the entire system. Then surely it is more rational to expect greater good from medicines entering the cavities of the lungs than from those administered through the stomach; the patient will always find the lungs free and the breathing easy, after Inhaling remedies. Thus, Inhalation is a local remedy, nevertheless it acts constitutionally, and with more power and certainty than remedies administered by the stomach. To prove the powerful and direct influence of this mode of administration, chloroform inhaled will entirely destroy sensibility in a few minutes, paralyzing the entire nervous system, so that a limb may be amputated without the slightest pain; inhaling the ordinary burning gas will destroy life in a few hours.

The inhalation of ammonia will rouse the system when fainting or apparently dead.—The odor of many of the medicines is perceptible in the skin a few minutes after being inhaled, and may be immediately detected in the blood. A convincing proof of the constitutional effects of inhalation, is the fact that sickness is always produced by breathing foul air—*is not this positive evidence that proper remedies, carefully prepared and judiciously administered through the lungs should produce the happiest results?* During eighteen years' practice, many thousands suffering from diseases of the lungs and throat, have been under my care, and I have effected many remarkable cures, even after the sufferers had been pronounced in the last stages, which fully satisfies me that consumption is no longer a fatal disease. My treatment of consumption is original, and founded on long experience and a thorough investigation. My perfect acquaintance with the nature of tubercles, &c., enables me to distinguish readily the various forms of disease that simulate consumption, and apply the proper remedies, rarely being mistaken even in a single case. This familiarity, in connection with certain pathological and microscopic discoveries, enables me to relieve the lungs from the effects of contracted chests, to enlarge the chest, purify the blood, impart to it renewed vitality, giving energy and tone to the entire system.

Medicines with full directions sent to any part of the United States and Canadas by patients communicating their symptoms by letter. But the cure would be more certain if the patient should pay me a visit, which would give me an opportunity to examine the lungs and enable me to prescribe with much greater certainty, and then the cure would be effected without my seeing the patient again.

Elastic Cement Roofing.

THE subscriber is prepared to contract and put on at the shortest notice, W. E. Child & Co's. *Patent Fire and Water Proof Elastic Cement Roofing.*

It is perfectly Fire and Water proof, and in point of durability is equal, if not superior, to any Metalic Roofing. It can be put on over tin, tar, iron, or shingle roofs, however flat or steep they may be.

In point of resisting the elements of fire and water, nothing has yet been discovered equal to the Elastic Cement.

Those who have used it, have testified that it is the very perfection of Roofing, and that there is no further room for improvement.—No one will now think of putting on shingles, when this Cement can be had for much less money and will outwear four shingle roofs. This Roofing is warranted as represented.

The Elastic Cement is the cheapest and best protection from decay for wood exposed to the weather or dampness of the ground. It is also the best paint for iron, effectually preventing rust; and wherever applied perfectly excludes dampness.

The subscriber has this Cement for sale, in quantities to suit. For further information, apply to GEORGE A. COLE,
Frederick City, Md.

☞Specimens of the Roofing may be seen at the Prothonotary's Office, in Gettysburg.

The Liver Invigorator,

PREPARED by Dr. SANFORD, compounded entirely from GUMS, is one of the best Purgative and Liver Medicines now before the public, that acts as a *Cathartic*, easier, milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs it functions well, the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty.—For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than 20 years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain. These Gums remove all morbid or bad matter from the system, supplying in their place a flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILIOUS ATTACKS are cured, AND, WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

☞One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One dose taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

☞Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHŒA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cure attacks caused by Worms in Children; there is no surer, safer, or speedier remedy in the world, as it *never fails*.

☞A few bottles cure DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER and AGUE, CHILL FEVER, and all FEVER of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR is a scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.
