THE TELEGRAPH CELEBRATIONS. Grand Illumination in New York-

Partial Destruction of the City Hall by Fire. - We have before us a mass of dispatches giving accounts of the "cable" celebrations in various sections of the United States and the British provinces. As they are, generally, but a repetition of those already published, we deem it unnecessary to occupy our crowded columns with them in detail. Suffice to to say that everywhere the event inwith a brief account of the demonstrat-

Journal of Commerce : About eight o'clock the city half, police head quarters, the hotels, and the Com. vs. Elias Degrott-Assault and Battery principal buildings along Broadway and As present one line of cable is laid, on the person of George Degroft. Indictment other structs were illuminated with It required capital and enterprise and ignored by Grand Jury, and procedure to pay candles, and the speciacle was the most liove and hope, be abundantly reward! in the person of Philip Krizer.—Defendant city for several years, not excapting ed. It lies between parts of the British plead Guilty, and semisaced to two months the illumination made on the right of

> The fireworks, notwithstanding flio disadvantages of the weather, went off very well. The most imposing piece was reserved for the close, and it was greeted with an outburst of applanse that culminated the evening's onthusiasm. It represented two ships-the countered, and the splendid triangle

that was achieved. During all this grand succession of A Woods Meeting will commence, pyrotechnic marvels one incessant fire near New Chester, on Friday evening, of rockets, bombs and other sugmes of mersion of a cable operates to retard its the 10th of September.
