STAND BY YOUR TICKET!
Democrats of Adams county, you
never have had a ticket presented to
you, more worthy of your confidence
and support, than that now regularly
and fairly nominated by your repre-
sentatives in State, District and
County Conventions.

For Supreme Judge, WILLIAM A.
PORTER, in his excellent private and
public character, and his high attain-
ments in the Law, is a candidate
who would do credit to any ticket.
During the seven months he has been
on the Bench, by appointment, he
has proved himself eminently qual-
ified for the station, and given most
gratifying evidence that the ability,
efficiency and character of the Pen-
nsylvania Judiciary would be fully
maintained by his election.

For Canal Commissioner, WEST-
LEY FROST stands before you without
blemish or spot. Nothing has been
said against him, prejudicial to his
personal or political character. He
has filled public office, and always
satisfactorily to the people and credit-
ably to himself.

For Congress, WILSON REILLY, of
Franklin, is the nominee. An honest
and intelligent Pennsylvania
Democrat, free from Sectionalism,
devoted to the Constitution and the
Union, a friend to his own State and
her local interests, identified with
the Democracy of Pennsylvania and
the Union, he would be returned to
Congress under circumstances which
would give him influence with men
from all sections of the Union, and
thus enable him to be highly useful
to his District and to the State.

For Assembly, the nominee is
CHARLES WILL; for Associate Judge,
ISAAC E. WIRMAN; Commissioner,
DANIEL GEISELMAN; Director of the
Poor, ABRAHAM SPANGLER; Auditor,
JACOB KLUNK; and Coroner, DR. E.
W. MUMMA. All are honest and
capable. Better men have seldom,
if ever, been nominated by any party;
better men are not now before
the people of Adams county.

Best Democrats of Adams, we
would remind you, is your ticket, and
we say to you, STAND BY IT; support
it earnestly and efficiently; com-
promise no part of it; VOTE THE
WHOLE OF IT,—for that is alike
the course of DUTY and SAFETY.

Go Early!

Democrats of Adams, give the whole
of Tuesday next to your country.—
Start in good time for the polls, so that
no accident may prevent you from
reaching them before they close. Our
opponents are desperate, and are doing
everything within their power to defeat
at least a portion of our ticket. Think
of this, and then resolve that you will
not fall to their hands with your vote
more to waste and prostrate midnight
and prostrate Know Nothingism,
and finally and forever Black Re-
publicanism.

GO EARLY, and such of you as have
horses and wagons, take your old and
inferior Democratic tickets with you.
Let your horse, if any means
within your power to do so, have it

not be delayed by any accident

**The Demo-
crats have carried
the State of Dela-
ware by 750 ma-
jority! 'The work
goes bravely on?'**

Remember,
Voters, that CHARLES WILL, the
Democratic candidate for Assembly,
voted AGAINST "extra pay" last
winter, AND WILL DO SO AGAIN!

BEAR IN MIND,
That every vote cast for SAMUEL
DUBORAW goes towards keeping up
the Know Nothing Black Republican
(People's) party, whilst every vote cast
for CHARLES WILL will help to defeat
and crush it.

Answer!
SAY, editors of the Star and Sentinel,
did not Major MURKELMAN, as a member
of the Legislature, accept \$200 of "ex-
tra pay"? And, further, SAY, did
you find fault with him for so doing?
Answer:

**One Hundred
Dollars**
Are at the disposal of the editors of
the Star and Sentinel, if they will prove
by the House Journal, that Mr. Will
cast a single vote in favor of "extra
pay."

THE DEMOCRATIC TICKET.
A better or more satisfactory ticket
throughout was never presented to a
party for its suffrages. From our ranks
there are heard no sounds of discord.—
But let us not forget that the "race is
not always to the swift nor to the
strong." The brightness of our
political sky should not lead us into
indifference or inactivity. We must stand
up manfully to the work and do our
duty—our whole duty—and a glorious
victory is sure to await us on the
second Tuesday of October.

LOOK OUT!
For Democratic tickets with the
name of SAMUEL DUBORAW for Assem-
bly, instead of that of CHARLES WILL!
The same game may be played by
other of the opposition candidates. Be
VIGILANT—and let no one be deceived
by this trick.

RANK HYPOCRISY!
Mr. Editor:—A though of the party
opposed to you, I trust you will not
deny me a hearing—my own papers
would. EDWARD McPHERSON is the
candidate of the People's party for
Congress. He has a perfect right to
be—and I have the same right to vote
for him or not, as I please. The ques-
tion occurs to me, should I vote for
him? No, I will not! Give me a
shadow of consistency, at least.

BEAR IN MIND,
That every vote cast for Edward
McPherson will be contributing to the
election of one whose whole political
course has been marked by the most
hostile opposition to, and the most
coarse abuse of, the Democratic party.
And, bear in mind, that should he be
elected, he would in Congress vote on
all occasions with the enemies of the
Democratic party. Can a single re-
flecting Democrat in the entire district
vote for him? Certainly not—CERTAIN-
LY NOT!

**OVER-REACHING THEM-
SELVES!**
So low and revolting have the Know
Nothing leaders become in their efforts
to elect their ticket, as to disgust re-
spectable men even of their own party.
What effect their degrading conduct
may have at the polls, we cannot pre-
dict, but certainly it deserves a crush-
ing and not-to-be-mistaken rebuke at
the hands of all who have any regard
for fairness and decency in politics.

BEAR IN MIND,
The nomination of JAMES DAVIS,
for Associate Judge, by the Opposition,
is acknowledged by members of his
own party to have been a most unfor-
tunate one.

BEAR IN MIND,
In his own township, where his weak-
ness is no secret, the best man of the
Opposition will not support him. They
have too much regard for the People of
Adams county, to elect him to it—
especially when they have the choice
of so eminently qualified a man for
the place as DAVID E. WIRMAN. Yet
they should be very careful in filling
the office of Associate Judge.

BEAR IN MIND,
The friends of the EQUAL
RIGHTS of the People, will vote for
CHARLES WILL.
