Hammonton Lands

NEW ENGLAND SETTLEMENT.—RARE OPPORTUNITY.—To all wanting Farms in a healthy place, *ten ship-like miles* from Philadelphia, on the Camden and Atlantic railroad, New Jersey. An old estate has recently been opened for sale, and the first division of 10,000 acres divided up into farms of twenty acres and upwards. The soil is *of the best* quality for the production of fruits, grains, &c. The price is $15 to $20 per acre, payable in easy quarter yearly instalments, within a term of four years, with interest. The terms are made easy, in order to insure the rapid improvement of the land, by enabling *every industrious man to buy a farm*. It is now being extensively improved by good roads, and some of the best citizens from New England and the Middle States are erecting large improvements. It is a scene of the greatest improvement out of Philadelphia. Seventy-five houses have been built in four months.—Practical farmers and business men from the length and breadth of the Union are settling there. It is an important business place, on account of its being in the midst of a great market. Every article raised upon this land finds an immediate sale. The water is excellent, and no such thing as fever is known.

The soil is a sandy or clay loam, with a *clay bottom* and *retentive* of manures. It is free of stones and easily worked. It abounds largely in the phosphates, and such is its fertility that from the crops produced both upon this land and the large area adjoining under cultivation, it will be found not to be excelled anywhere in the production of crops most adapted to its market.

The reader may be well aware that the earliest and the best fruits and vegetables come from New Jersey, which are annually exported to the amount of millions of dollars. The land, besides being accessible in every way for fertilizers, has an abundant supply of the best quality of muck manure.

Lumber and building materials can be had on the spot at a cheap price, from the mills. Other mills are now being opened, and brickyards being started on the ground. A person can put up a frame tenement for present convenience for one hundred dollars. On account of the extensive emigration, this is the best course to pursue in order to get a place to live in at first. Carpenters and builders are on hand to put up houses on the best terms.

In settling here the emigrant has many advantages. He is within a few hours' ride of the great cities in the Middle States and New England; he is near his old friends and associations; he is in a settled country, where every improvement and comfort of civilization is at hand: he is in a healthy place, and is not subject to the certainty of losing the greater part of his family and his own health by those malignant fevers which make the graves of so many millions of the young and hardy in far off regions away from home and friends. Besides, he has a mild climate and an open winter.

There are three trains daily to Philadelphia, and to all those who improve the railroad company gives a free ticket.

The reader will at once be struck with the advantages here presented, and ask why the property has not been taken up before—The reason is, it was never thrown in the market; and unless these statements were correct, no one would be invited to examine the land before purchasing. This all are expected to do. They will see the land under cultivation; they will meet persons, no doubt, from their own neighborhood; they will witness the improvements, and can judge of the character of the population. Persons should come prepared to purchase, as many are locating, and locations are not held on refusal.

The Hammonton Farmer, a monthly Literary and Agricultural sheet, containing full information of Hammonton, will be sent to each inquirer, and can be obtained at 25 cts per annum.

Title indisputable. Warrantee deeds given, clear of all incumbrance, which purchase money is paid. Route to the land:—Leave Chestnut street wharf, Philadelphia, for Hammonton by railroad at 7½, A. M., and 5½, P. M.; when there inquire for Mr. Byrnes. Boarding conveniences will be found. Letters and applications can be addressed to S. B. COUGHLIN, 202 South FIFTH Street below Walnut, Philadelphia. Maps and information cheerfully furnished.

More to be Admired

THAN THE RICHEST DIADEM ever worn by KINGS OR EMPERORS.—What? Why a Beautiful Head of Hair. Because it is the ornament *God Himself provided* for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, *harsh and dry*, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first, *is the celebrated Pianist, Thalberg:*

NEW YORK, April 19, 1858.

DR. WOOD: Dear Sir:—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,

S. THALBERG.

"Drych a'r Gwyliedydcet."
Welsh Newspaper office, 18 Nassau st.,
April 12, 1858.

PROF. O. J. WOOD: Dear Sir:—Some month or six weeks ago I received a bottle of your Hair Restorative and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CARDEW.

NEW YORK, July 25, 1857.

PROF. O. J. WOOD: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers which were almost white have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely. J. G. KILBY.

PROF. WOOD:—About two years ago my hair commenced falling off and turning gray: it was fast becoming bald, and had tried many Remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color, (black.) At this time it is fully restored to its original color, health, and appearance, and I cheerfully recommend its use to all. J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds ½ a pint, and retails for $1 per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for $3.

O. J. Wood & Co., Proprietors, 312 Broadway, New York, (in the great N. Y. Wire Railing Establishment,) and 114 Market St., St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers.

The Mighty Healer! World Known and World Tried.

Holoway's Ointment.

THE free admissions of all Nations, as well as the verdict of the leading Hospitals of the Old as well as the New World, stamp this powerful remedial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease; and in all external affections its anti-inflammatory and healing virtues surpass anything else on record, and is Nature's great ally.

ERYSIPELAS AND SALT RHEUM are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "*modus operandi*" is first to eradicate the venom and then complete the cure.

BAD LEGS, OLD SORES, AND ULCERS.—Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succombed to a few applications of this powerful unguent.

ERUPTIONS ON THE SKIN, arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rushes and other disfigurements of the face.

PILES AND FISTULA.—Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds,
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula,	Skin Diseases,	Tetter,
Gout,	Swelled Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds,
Piles,	Sore Heads	

☞*Caution!*—None are genuine unless the words "*Holloway, New York and London,*" are discernible as a *water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

☞Sold at the Manufactories of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1 each. A. D. Buehler, Gettysburg.

Elastic Cement Roofing.

THE subscriber is prepared to contract and put on at the shortest notice, W. E. Child & Co's. *Patent Fire and Water Proof Elastic Cement Roofing.*

It is perfectly Fire and Water proof, and in point of durability is equal, if not superior, to any Metallic Roofing. It can be put on over tin, tar, iron, or shingle roofs, however flat or steep they may be.

In point of resisting the elements of fire and water, nothing has yet been discovered equal to the Elastic Cement.

Those who have used it, have testified that it is the very perfection of Roofing, and that there is no further room for improvement.—No one will now think of putting on shingles, when this Cement can be had for much less money and will outwear four shingle roofs. This Roofing is warranted as represented.

The Elastic Cement is the cheapest and best protection from decay for wood exposed to the weather or dampness of the ground. It is also the best paint for iron, effectually preventing rust; and wherever applied perfectly excludes dampness.

The subscriber has this Cement for sale, in quantities to suit. For further information, apply to GEORGE A. COLE,

The Liver Invigorator,

PREPARED by Dr. SANFORD, compounded entirely from GUMS, is one of the best Purgative and Liver Medicines now before the public, that acts as a *Cathartic*, easier, milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liber* remedy, acting first on the *Liver* to eject its morbid matter, then on the *stomach* and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It tr ngthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs it functions well, the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty.—For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than 20 years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain. These Gums remove all morbid or bad matter from the system, supplying in their place a flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILIOUS ATTACKS are cured, AND, WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

☞One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One dose taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

☞Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHŒA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cure attacks caused by Worms in Children; there is no surer, safer, or speedier remedy in the world, as it *never fails.*

☞A few bottles cure DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER and AGUE, CHILL FEVER, and all FEVER of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR is a scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.
