At their old Triess.

We have observed in Opposition papers various storice of corruption a boiler and burnt to the water's edge, meng Foderal officials, with an occa- having 400 passengers on board, 200 of sidnel insinuation of complicity on the whom are either lost or missing. The part of the President. Charges so con- body of the engineer was found cut in part of the President. Charges so con-tradictory of the uniform tenor of Mr. Buchanan's public life, which through About one hundred of the passengers all its vicissitudes has never contracted were wounded by the explosion, and eo much as the stain of suspicion, are tion. The boat was one of the nest on the river, and comparatively new. The engineer should have declared that he engineer should have declared that he would be in New Orleans by a certain time or blow her up. The scene is de-there or blow her up. The out denial, now circulates as accopted

trath in the Opposition journals :

"The Seaman Printing Investigating Monday night, together with seven within the county of Adams, now to wit: Jan-Committee is slowly progressing with thousand bales of cotton, seven thous-their testimony. Yesterday some de-and bags of linseed, and a large quanti-county is directed to cause notice to be publish-prugs and medicines, their testimony. Yesterday some de-velopments, regarding the election in Pennsylvania, were made. Mr. Wen-dell, of the Union, says he distributed tradicional descent of the free in Mamphis on Traday the first day of next term. requiring the said de-tradicional descent descen large sums for political purposes, espe- stroyed by fire in Memphis on Tuesday the first day of next term, requiring the said de-cially when the public printing was un- night, including six printing offices. cially when the public printing was un- night, including six printing offices. der his charge ; and that he received a .

Northern Central Raylroad.-The York letter from Mr. Buchanan requesting, him to expend \$1,000 to defeat John Republican states that Mr. Levin Willey, who has been superintendent of Covode, which he refused to do."

The States says a more shameless ca-lomny never originated in the malice of tire length for the last twenty years, is notified to be and appear at a Court of Common political focs. Mr. Wendell has testi- to give place to another. Mr. Thomas fied to no such charge; nor could he O'Neil, dispatcher at York, also goes without committing the basest perjury. out, and some one else takes his place. Indeed, the accusation is palpably false;

What a Session of Congress Costs .since the person for whom Mr. Buchsince the person for whom Mr. Buch-anan is represented to have employed his influence, was the opponent of his Administration or its leading measure. The Select Committee of the Dollars. So says the Appropriation

House of Representatives, appointed at Bill. the instance of Mr. Sherman, of Ohio. A Man Hung by a Corpse.-The Cinto inquire into alleged abuses in conneccinnati Gazette says that on Saturday tion with the disposal of the patronage night last, a body snatcher who had stoof the Navy Department, reported on len a corpse from a graveyard in the Thursday week. Messrs. Bocock and neighborhood of that city, which he had Groesbeck (Democrats). and Mr. Ready placed in a bag, was hung while endeav-oring to get over a high fence, the (South-American), join in a majority report, and Messrs. Shorman and Ritcorpse falling on one side and the body chie (Republicans), make a minority snatcher on the other, he having placed report. The majority report presents around his shoulders the cord by which frankly all the prominent facts elicited the sack was shut, and the cord slipby the examination of witnesses with ping about his neck, chocking him to reference to each specified charge, and death.

fallows these facts with such comments as are nocessary to a full and thorough understanding of the whole inatter. - a ship? Because it's a private-tear. The Resolutions attached to the Report entirely exonerate the present able and efficient head of the Navy Department from any suspicion of having, in the Superfine Flour. most remote degree, countcuanced any Rye Flour. of the irregularities which have crept Wheat...... 1 25 to 1 into the management of some of the col- Corn,..... lective brunches of the Department in- Rye trusted to his charge, and recommends Backwheat. legislative reform to cure the glaring Buckwheat Meal ting one, and it may lead to the adop-Flax Seed.....
