Country Girls " will appear in our Bert

.Read the article on the first page entitled "Object of the Defeat of the Postal Appro- closely-printed matter, representing delinpetitions." It exposes one of the most out quents of that city for the past year. Not less rights pieces of political gambling on the than thirteen thousand lots are thus advertised part of a leading Black Republican, ever for non-payment of taxes. detected at the National Capitol.

Crop, Corrie, Gambrill and Cyphus are to be hung in Baltimore on Friday next. -The Xork county Agricultural Society will : held sto next annual exhibition at York, commanifer Occober 4th.

See fourth page. The beasion of Congress just closed has done at least one creditable act, in passing : the joint resolution authorizing the President. ibr.and with the advice of the Senate, to conifer on Commodore Charles Stewart a comsubsiden as Senior Flag Officer of the Navy on department failed to pass. What effect The active list, in recognition of his distinthis will have upon the workings of guished and meritorious services.

No one who has even been an ordinary observer of the debates and proceedings of the Goycrnment, time must determine : the letters written in relation to their claim session of Congress which has recently closed, | certain, however, it is, that very many can have failed to perceive and know, that it is the determination of the Opposition to keep alive the flames of sectional agitation and missosity, for the sake of political capital in the North, at any cost-even at the sacrifice of the Union itself. Upon this issue they have resolved to fight the great Presidential question, however important to the public lation, we copy the following paragraph

President Buchanan has appointed Robert Ould, Esq., of Georgetown, United States than justice to the Democracy : District Attorney to fill the position rendered vacant by the decease of Mr. Key. Mr. Ould was a candidate for this office at the time of the re-appointment of Mr. Key by Mr. Baobanan.

There are thirteen thousand uniformed valanteers in Pennsylvania, equal in number charged to Mr. Grow's movement in ment, open for public inspection. There was to the regular army of the United States .--In all there are three hundred and fifty an insulting message to the Senate, and thousand men capable of bearing arms in the Staté. publican' candidate for Speaker."

Geo. M. Dallas- is proposed as the next Democratic candidate for the Presidency by the Mobile Register. The Agusta Constitutionalist endorses the idea, and the Charleston Con rier copies the article.

D. MoConAugar, Esq., will deliver the Leoture before the Y. M. C. A., next Friday evening, at 7 o'clock, in the Methodist E. Church. Subject-" Language."

The closing Lecture will be delivered next week, (25th inst.,) by Hon. E. McPERSON.

An Improvement.

The Notes of the Bank of Gettysburg are to be improved by the addition of a red ground-work, such as is observable in the Notes of many other Banks. This will not only add to their beauty, but render the Notes more difficult to counterfeit.

My first is seen in every land, And told in every tale; 'Tis not at wind or storm's command, But yet in every gale. My next is heard in th' owlet's scream. And in the whipporwill's ; "Tis writ in every note 'twould seem; But never used in bills. In every vale my third appears,-In every valley heard; Without it vice is in arrears, And quite another word, My fourth and last begins the end. And only ends with time ; In harmony 'twill ever blend, Its voice in every chime. My whole is oft the poet's theme, ---Semetimes the parson's text; And every swain perplex'd. ----- M --
